WELLINGTON AFC Club History

Formed in 1892 we are proud to be an FA Charter Standard Community Club. Initially the Club played in leagues based around Taunton and Tiverton. In the early 1960s it gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making the Club one of the League's longest continuously serving members.

The First Team entered the Western League in the First Division in 1978/79 season and has played at Premier Division level from 1981/82 to 1984/85 and 2008/09 to 2010/11. The team were promoted as First Division Champions at the end of the 2016/17 season. In their first season back in the Premier Division the team finished a creditable 15th, they also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League Paulton Rovers. Last season the team finished in 16th place but are hoping to improve on this in the forthcoming season. All other seasons were played at Division One level.

The Club's Reserve side play in the Devon and Exeter League Division One. Having finished eighth for two seasons, unfortunately, the team struggled during the 2017/18 season and last season improved to once again finish in eighth place and will play at the same level this year.

Having played in the Devon and Exeter League for a number of seasons the A Team transferred to Division Three of the Taunton Saturday League last season where they finished a very creditable third and could be promoted to Division Two for the forthcoming season.

The Club's Ladies side finished ninth in the Somerset County Women's League First Division last season but, with the introduction of new players are hoping to improve this season. The team play a full role in both the playing and non-playing aspects of the club.

This season the Club will be running 21 teams in its Youth and Mini Sections. These teams see both boys and girls playing from the age of eight right through to eighteen. The Club also has three Disability teams. Six of the Youth Teams won the Sportsmanship Awards for their Age Groups last season and the Disability Teams won the Somerset FA Award for Disability Club of the Year.

During the last year the Club launched its new website – www.wellingtonafc.co.uk and is making full use of its Facebook and Twitter accounts which have all proved very successful.

We continue to work with the local Council's and Wellington Sports Federation on the Taunton Deane Pitch Strategy which will hopefully result in the Club moving to a larger ground and bring the majority of football pitches in the town to one site.

Outside of its core footballing activities the Club is home to several darts and skittles teams and it runs a full programme of social events for members and non-members alike. The Function Room and Lounge are available for hire. (Please contact the Clubhouse Manager – Jenny Oxbby on 01823 665410 for details)

TOOLSTATION WESTERN LEAGUE LES PHILLIPS CUP

The league cup is named after a former Chairman of the league, Les Phillips. He is noted for bringing sponsorship to the league. In 1973, Les was elected Chairman. Many have said that this was a 'milestone' in the league's history. With a broad smile and a booming voice, Les assured everyone that he would do everything in his power to help the league make further progress. And progress it did. A sponsorship deal with Rothmans followed worth £10,000 per season. And so the 1974/75 season kicked off as The Rothmans Western Football League.

Do you remember the Great Mills Western League? That was Les Phillips too. The deal was announced at Ashton Court on Tuesday 27th April 1982 by Peter Bastin of Great Mills and Lawrie McMenemy. The sponsorship deal was worth £100,000 over five years and introduced a 'pounds-for-goals' bonus system.

In 1988, Les Phillips passed away. This was a great shock. The man who had given so much to the league was gone. It was therefore decided to re-name the Challenge Cup after Les and the first winners in the 1988/89 season were Exmouth Town. Having a cup named after you may not be much reward for a man who had given so much to Western League Football, but his name will always be remembered and live on in the Les Phillips Cup.

The trophy itself started life in the 1954/55 season as The Western Football League Professional Challenge Cup. This new cup which cost £45-9s-0d was only open to professional clubs. In those days there was a distinction between professional and amateur clubs in the league. Poole were the first team to win the cup having beaten Frome.

In 1961/62 The Professional Challenge Cup was renamed 'The Challenge Cup' and the first winners were Bristol City Reserves. For the 2012/13 season the cup was sponsored for the first time by Termination Technology of St. George, Bristol. This enabled payments to be made to the winners in each round of the cup.

Last year's Les Phillips Cup winners were Plymouth Parkway who beat Willand Rovers 2-1 in the final having beaten Cadbury Heath 4-1 in the semi-final.

TONIGHT'S VISTORS ROMAN GLASS ST GEORGE

We extend a warm welcome to the players, officials and supporters of Roman Glass St George for this evening's Les Phillips Cup, First round game.

The club Roman Glass St George is the result of an amalgamation between Bristol St George and Roman Glass. Bristol St George was formed in 1882 and is the oldest club in Bristol. They were founder members of the GFA in 1886 and won the GFA Senior Challenge Cup on two occasions 1894 and 1895 beating Eastville Rovers 3-1 on the first occasion.

The club also entered the FA Cup in 1891 and the inaugural FA Amateur Cup in 1894. The current ground at Bell Hill was opened with a match between a Bristol & District XI and the English champions Aston Villa in 1894. In 1897 the club turned professional and spent two seasons in the Birmingham & District League. The club reverted to amateur status in 1901 and continued that way until joining the Western League in 1928. In 1935 after struggling financially they dropped out and joined the Bristol & District League once again. They won the first division only once in 1949/50 but were always a leading team until they became founder members of the Bristol Premier Combination in 1957. St George played in this league winning it five seasons in succession from 1963/64 season to 1967/68 until they joined the Gloucestershire County League on its formation in 1968.

The Sixties was the Golden era for the club as in addition to winning these league titles they also managed to win the Gloucestershire Senior Amateur Cup, five times which included four successive seasons. Success was also found in the FA Amateur Cup when they regularly took on the top amateur clubs in the Country such as Hendon, Dagenham, Hayes and Leytonstone in front of crowds numbering thousands. St George won the County league in 1969/70 and was runners-up twice before a gradual decline in fortunes until in 1987 the club were expelled from the league due to sub-standard facilities. A return to the Premier Combination saw a brief improvement resulting in winning the Premier Division in 1992/93. With no promotion gained the club nosedived and were in danger of folding when Roman Glass stepped in.

Roman Glass originated as a street team called Wyndham Wanderers in 1960 and played in the Bristol Church of England League and then joined the Bristol & District League in 1974. The club enjoyed moderate success gradually climbing the leagues and in 1980 changed its name to Roman Glass. The club began to decline until in 1990 Roger Hudd took over as manager and steered them to win the Division 4 title the club continued to improve gaining successive promotions until the amalgamation in 1995.

Roman Glass St George in the Premier Combination immediately gained success, winning promotion to the Premier Division that season and then winning that league in 1998/99 season to earn promotion to the County League. The club won the County league in 2001/02 and then season 2006/07 which resulted in promotion to the Toolstation (Western) League, a league the club last played in, in 1935.

On the right of the vehicle are players, from left, Jack Bryant, Mark Owen and club captain Sam Bryant.

MATCH REPORT – SATURDAY 14TH SEPTEMBER

BRISLINGTON 0 3 WELLINGTON

Wellington didn't so much overturn the form book as rip it up and throw it out of the window as they recorded a stunning win away to in-form Brislington on Saturday. The home side went into the game as joint leaders of the division and on the back of an excellent midweek victory while Wellington were not only pointless but had suffered a humiliating 8-0 hammering in their previous game. With manager Clive Jones away on holiday, Reserve team boss Paul Pocock took charge of the side and he was without four players through unavailability or injury as Josh Pearson, Carl Jones, Pocock's son Lewis and Joe Wylie replaced Tim Legg, Mitch Woodgate, Connor Pengelly and Sam Jones.

But Wellington were at the races from the kick-off and Joe Chamberlain headed over during a lively start before they went ahead with just 11 minutes on the clock. Ian Bellinger sent over a cross from the left which reached Jack Bryant at the far post and he turned the ball across goal for his brother Conor to smash home his first goal since rejoining the club after a short spell with Buckland Athletic.

Brislington almost drew level three minutes later when their striker was played in but keeper Tom Welch blocked his shot and that proved to be one of the home side's few serious efforts on goal in the entire game.

Wellington doubled their lead just before the half-time when talented youngster Joe Wylie played in Chamberlain and, although his shot was half-saved, the vicious spin continued to take the ball goalwards and past a covering defender. Shortly before that, visiting skipper Sam Bryant had limped off with a hamstring strain and he was replaced by debutant Ollie Holman. Pocock reorganised with the sub going up front, Conor Bryant dropping back into midfield and Glen Wright going into defence alongside Carl Jones. The changes could have knocked them out of their stride but instead the entire XI stepped up to the plate and continued to take the game to their opponents.

Eight minutes into the second half it was 3-0 as the impressive Holman sprang the offside side and coolly looked up to pick out Chamberlain for his second of the match.

Brislington tried their best to get back into the game and Welch produced a flying save to keep out a fierce shot with 20 minutes remaining but the visitors held firm for an outstanding victory to open their points account for the season.

Man of the Match Carl Jones receiving his award from Club Vice-Chairman, Graham Aspin.

EXTRACT FROM TOOLSTATION BULLETIN 15th September 2019

Midweek Action: On Tuesday evening, two goals from Jack Crago proved to be enough for **Tavistock** who held off a late fightback from **Shepton Mallet** to book their spot in the second qualifying round of the FA Cup. After the sides battling out an entertaining 3-3 draw three days previously, it was the Lambs who made a fast start against the previously unbeaten Mallet, with Jack Crago heading home after just 12 minutes. Crago had scored twice in the original tie, and he repeated that trick in the replay, doubling Tavistock's lead ten minutes into the second half. The home side continued to battle, and when Asa White scored for the third consecutive FA Cup game there was hope, but the Devon side held out to set up a clash with Exmouth's conquerors Highworth Town in the next round.

Clevedon Town staged a remarkable comeback away at **Keynsham** in the Premier Division, scoring three times in the final 20 minutes to claim a 4-3 victory. After George King had cancelled out Ben Dowdell's tenth minute opener, the K's struck twice toward the end of the first half through Ben Harris and Matt Brown to lead 3-1 at the break. With 20 minutes left on the clock, Elliott Nicholson pulled a goal back for Clevedon, with Saturday's hero Lucas Vowles then grabbing the equaliser five minutes later. That left plenty of time for a late winner, and it was Vowles who struck five minutes into stoppage time to cap a memorable night for the Seasiders. In the night's other fixture, two goals in the final 15 minutes from Jayden Neilson saw **Brislington** defeat **Westbury** 2-0 to give the home side their third successive league win. On Wednesday evening, **Plymouth Parkway** defeated **Street** 3-0 on the back of a fast start at the Tannery Ground. The visitors stormed into a two-goal lead in no time at all thanks to Adam Carter's double, with Aaron Bentley completing the scoring during a one-sided first half. In the First Division, 19th placed Hengrove battled to a goalless draw away at early league leaders Oldland Abbotonians at the Aitchison Playing Fields.

FA Vase: Devon duo **Tavistock** and **Exmouth Town** flexed their goalscoring muscles during the second qualifying round of the Fa Vase, each scoring five goals during impressive away wins. Tavistock defeated unbeaten First Division outfit **Cheddar** 5-0 at Bowdens Park, with Jack Crago starring once again for the Lambs. Crago had already the scoring for the visitors, before Warren Daw doubled their lead seven minutes before the interval. The second half then belonged exclusively to Crago, with Tavistock's star man scoring a further three times to take his tally to eight goals in the space of seven days. Exmouth claimed a 5-1 win away at **Cadbury Heath**, with braces from both Karl Rickard and Ace High securing their spot in the next round. **Westbury**

United survived a first half red card during their 2-1 win away at **Alton**. Having headed his side into a 19th minute lead at Anstey Park, Westbury's Dan Kovacs was given his marching orders soon after following a poorly-executed challenge. Alton then equalised 20 minutes from time, but it was the ten men who moved onto the next round after Joe Kirkpatrick fired home a dramatic winner from the edge of the area. There was also late drama in the tie involving **Roman Glass St George** where they eventually booked their passage through thanks to a 3-2 win away at **Ivybridge**. Having seen goals from Kye Simpson and Kaine Gazzard cancelled out either side of the break, Ryan Radford struck in stoppage time to hand Roman Glass another memorable cup victory. Two goals apiece from Asa White and Aaron Seviour helped **Shepton Mallet** defeat **Street** 5-2 during the only all-Premier Division tie, while a curling effort before the break from Neikell Plummer saw **Bradford** beat **Hamble** 1-0. **Buckland Athletic** will also take part in the next round after two goals from Richard Groves, plus strikes from Ryan Bush and Louis Jagger-Kane led them to a 4-0 win away at **Bodmin Town**. Charlie Walton was another player to strike twice on Saturday, with the **Warminster** skipper scoring in either half of their 2-1 victory over **Alresford Town**. After 120 minutes of football, **Sherborne** and **Petersfield** could not be separated and will face a replay at Love Lane on Tuesday evening. Sherborne trailed 2-1 at the break despite a goal from Sam Carney, with Josh Williams then grabbing an equaliser during the second half to send the game to extra time. Neither side could make the required breakthrough during the additional half hour, and will meet again in Hampshire to decide who prevails. The other seven Western League sides all saw their runs in this year's Vase come to an end, suffering 90 minute defeats despite all finding the back of the net during their encounters. Harry Foster's late strike wasn't enough for **Wells City** who went down to a 2-1 defeat at home to **Newton Abbot Spurs**, with **Wincanton** losing by the same scoreline away at **Downton**. The early season struggles of **Devizes Town** continued at home to **Newport** from the Isle of Wight, with Sean McKeon's 18th minute opener eventually proving insufficient during a 3-1 defeat.

Corsham also suffered a 3-1 defeat at home to **Romsey Town** of the Wessex League, while **Ashton & Backwell** were beaten 2-1 away at Cornwall's **Camelford**. The recent positive momentum gained by **Radstock Town** wasn't enough for them to see off **Bovey Tracey**, who completed an impressive 3-2 comeback win at the Southfields Rec. The Miners made a fantastic start to the game and after Scott Gregory had headed them into a 3rd minute lead, influential playmaker Jack Biddiscombe then lobbed the visiting keeper from 35 yards to make it 2-0 inside quarter of an hour. Radstock then fell apart during the final third of the match, relinquishing their lead 15 minutes from time, before conceding a third goal late on while they were down to ten men following a sin bin. Nine-man **Portishead** also lost despite going ahead, with opponents **Torpoint** scoring three times during extra-time to eventually prevail 4-1 at The Mill

Premier Division: The crowd were royally entertained at Moorhouse Lane, where **Bridgwater Town** secured a 6-4 win over **Hallen**. The goalscoring began in the 19th minute, with the home side going ahead thanks to a bicycle kick from inside the area by Rob Latham. Bridgwater have already enjoyed 7-0 and 8-1 victories this season, and they were in the mood for more goals on Saturday afternoon, with Jack Taylor, Jake Horsey and Sam Towler scoring in the space of six minutes to turn the game on its head. Hallen rebounded from that setback in first half stoppage time when Kyle Thomas pulled a goal back, with the same man then levelled the scores from the spot seven minutes after the break. The goals continued to fly in, and after Steve Murray had restored Bridgwater's advantage with a penalty of his own, substitute Jake Llewellyn also scored from 12 yards to move the away side into a two-goal lead. Thomas completed his hat-trick to give Hallen hope of a late fightback, but that was ended in stoppage time when David O'Hare became the sixth Bridgwater player to find the back of the net. Bolitho Park also witnessed ten goals on Saturday afternoon, but unfortunately for **Odd Down**, all of them belonged to the home side. League leaders **Plymouth Parkway** only led by two at the interval, with Fletcher Williams scoring inside the opening minute, before providing the assist for Adam Carter to double their tally five minutes before the break. The floodgates opened in the second half, with the Bath side conceding eight goals in the space of 45 minutes, two of them going to Carter who completed another hat-trick. Mike Williams struck twice at the beginning of the half, with his namesake Fletcher completing a brace of his own, adding to further goals from Aaron Bentley, Curtis Damerell and Jordan Copp.

Wellington claimed their first points of the season, putting in an excellent performance to defeat fourth-placed **Brislington** 3-0 away from home. The Tangerines went ahead in the 11th minute, when Jack Bryant teed up his brother Conor to slot the ball past the Brislington keeper. Joe Chamberlain then doubled the lead on the half hour, before adding his second in the early stages of the second half to complete the win. **Cribbs** were another club to secure their first league win of the campaign, with Joe White striking twice early against his former side **Chipping Sodbury Town** to claim a 2-0 victory at the Ridings. In another entertaining encounter, **Bridport** and **Keynsham** were forced to share the points after battling out a 3-3 draw in Dorset. Having fallen behind to Ben Harris's opener, Bridport battled back and led 15 minutes into the second half thanks to a pair of goals from Nathan Warren and Lewis Clarke. Harris then struck from long range to draw Keynsham level, with Bridport's Declan Cornish also scoring from outside the area to put the hosts back ahead ten minutes from time. That left Keynsham plenty of time to gain something from the game, and they did just that, with Adey Harvey heading them level two minutes into stoppage time.

CODE OF CONDUCT FOR SPECTATORS

CHARTER STANDARD
COMMUNITY CLUB

As a Charter Standard Club we expect all spectators to play your part and support the FA's Code of Respect:

- Never engage in or tolerate offensive, insulting or abusive language
- Never engage in threatening or violent behaviour
- Never engage in racist abuse or behaviour of any kind
- Never abuse match or team officials from either side
- Stay behind the touchline and within the designated spectator's area

You must fully understand and readily accept that failure to comply with any of the above may result in you being:

- Issued with a verbal warning or asked to leave
- Required to meet with the club committee, league or Welfare Officer
- Obligated to undertake and FA education course
- Requested not to attend future games, be suspended or have your membership removed
- Required to leave the club along with any dependents and/or issued a fine
