## WELLINGTON AFC Club History

Formed in 1892 we are proud to be an FA Charter Standard Community Club. Initially the Club played in leagues based around Taunton and Tiverton. In the early 1960s it gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making the Club one of the League's longest continuously serving members.

The First Team entered the Western League in the First Division in 1978/79 season and has played at Premier Division level from 1981/82 to 1984/85 and 2008/09 to 2010/11. The team were promoted as First Division Champions at the end of the 2016/17 season. In their first season back in the Premier Division the team finished a creditable 15<sup>th</sup>, they also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League Paulton Rovers. Last season the team finished in 16<sup>th</sup> place but are hoping to improve on this in the forthcoming season. All other seasons were played at Division One level.

The Club's Reserve side play in the Devon and Exeter League Division One. Having finished eighth for two seasons, unfortunately, the team struggled during the 2017/18 season and last season improved to once again finish in eighth place and will play at the same level this year.

Having played in the Devon and Exeter League for a number of seasons the A Team transferred to Division Three of the Taunton Saturday League last season where they finished a very creditable third and could be promoted to Division Two for the forthcoming season.

The Club's Ladies side finished ninth in the Somerset County Women's League First Division last season but, with the introduction of new players are hoping to improve this season. The team play a full role in both the playing and non-playing aspects of the club.

This season the Club will be running 21 teams in its Youth and Mini Sections. These teams see both boys and girls playing from the age of eight right through to eighteen. The Club also has three Disability teams. Six of the Youth Teams won the Sportsmanship Awards for their Age Groups last season and the Disability Teams won the Somerset FA Award for Disability Club of the Year.

During the last year the Club launched its new website – [www.wellingtonafc.co.uk](http://www.wellingtonafc.co.uk) and is making full use of its Facebook and Twitter accounts which have all proved very successful.

We continue to work with the local Council's and Wellington Sports Federation on the Taunton Deane Pitch Strategy which will hopefully result in the Club moving to a larger ground and bring the majority of football pitches in the town to one site.

Outside of its core footballing activities the Club is home to several darts and skittles teams and it runs a full programme of social events for members and non-members alike. The Function Room and Lounge are available for hire. (Please contact the Clubhouse Manager – Jenny Oxby on 01823 665410 for details)

**MATCH REPORT**  
**SOMERSET PREMIER CUP – FIRST ROUND**  
**WELLINGTON    1            5            WELLS CITY**

Wellington bowed out of the Premier Cup as they were well beaten by in-form Wells City at the Playing Field.

Manager Clive Jones was again joined by former Buckland Athletic boss Richard Pears in the technical area and his line-up included two new signings from Devon – central defender Tony Radford and striker Matt Dawson. But Wellington were again without a clutch of first team regulars and their inexperience was exposed by opponents sitting third in the Toolstation division below them.

The hosts started well enough but soon found themselves on the back foot and fell behind midway through the first half. They had appeals for a penalty turned down as Dawson went down in the box and, straight away, Wells broke upfield with former Wellington winger Craig Herrod playing in Alex Camm to net.

It remained 1-0 at the break but then it all went wrong early in the second half with Wells scoring three goals in seven disastrous minutes. Herrod sent in a low cross which wasn't cleared properly for Dale Hunt to net, then Herrod's quick free-kick caught out the home defence and keeper Tom Welch saved from Charlie Crook but Camm drove home the rebound. Wells made it 4-0 shortly afterwards with a fine individual goal by Hunt, who burst in from the left to shoot low past Welch.

Wellington pulled a goal back after 62 minutes when Dawson capped a promising debut with an exquisite finish from a low cross by Joe Chamberlain. But Wells restored their advantage three minutes later, striker Harvey Hadrill rising to head home, and it should have been six with eight minutes remaining, Crook blasting over with the goal at his mercy

## TODAY'S VISITORS

### ODD DOWN

We extend a warm welcome to the players, officials and supporters of Odd Down (Bath) for today's Toolstation Western League Premier Division game.

Odd Down (Bath) AFC was founded in 1901 by Messrs. Fred Weaver and brothers Walt & Stan Noad. The club, played in the Bath & District Football League in its formative years. During the 1920's the Club found itself playing in the Wiltshire Football League and prior to World War II had graduated to playing in the Somerset Senior Football League. Re-grouping after the war, Odd Down started off again in the Somerset Senior League and in the 1946-47 season finished as runners-up to Somerton. They also won the Mid-Somerset League that season, a league formed to make up for the shortage of Somerset Senior League fixtures at that time. The Club gained admittance to the Western Football League for the start of the 1977-78 season. However, it was to be season 1991-92 before they won their first major honour, lifting the Somerset FA Senior Cup, and even more joy was to come the following season as the Club won promotion to the Great Mills Western League Premier Division, finishing as the 1992-93 Division One Champions. In their centenary year of 2001 Odd Down reached the final of the Somerset FA Premier Cup for the first time, losing 1-0 to Southern League side Clevedon Town. The feat was repeated in 2004, this time going down 5-0 to Yeovil Town at the Clubs Huish Park home. The same season the Club were awarded the Western League's Vice President's Trophy, for the team with the best sportsmanship record.

In the 2007/08 season after a period of instability in terms of management and leadership Odd Down found themselves relegated to the first division. However, in the 2009/10 season Lee Burns was appointed as Manager. Together with Mark Keen and Alan Moxham, Lee worked extremely hard to turn the fortunes of the club around. They created a new exciting squad, with a blend of youth and experience which finished runners up in the Toolstation League First Division gaining promotion back to the Premier League. In the early part of 2012-2013 season, work commitments led to Lee Burns stepping down as manager, however his then assistant manager Terry Moore took up the reign and in 2013 – 2014 season with Ray Johnston as his assistant steered Odd Down FC to fourth place in the Premier League.

2014-2015 season saw the resignation of Terry Moore, but Ray Johnston was ready to step up to the challenge and appointed Lee Rendell as his assistant and together they achieved 5<sup>th</sup> spot in Toolstation Western League Premier Division. 2015 – 2016 saw the club crowned the Western League Champions for the first time in the club's history. 2016 – 2017 with Ray Johnston and Lee Rendall still at the helm, wasn't such a good season however the 1st team and reserves both finished 7<sup>th</sup> in their respective leagues, with the U18s taking runners up spot for the second successive season. The crowning of Odd Down Reserves as Somerset FA Senior Cup Champions was to a terrific end to the season. Ray and Lee continued with the first team again last season, however Ray left the club in November and Lee appointed Dean Horseman as his number two. The team finished the season in 14<sup>th</sup> place in the Premier

Division, the Reserves a creditable 7<sup>th</sup> in theirs and the Under 18's gained promotion to the Premier Division of the Floodlight Youth League and were League Cup Runners-Up.

2018-19 was a turbulent season for both 1<sup>st</sup> and reserve teams with both teams Dean Horseman parted company with the club and Lee carried on alone 'til the end of the season, only managing a disappointing 15<sup>th</sup>, the reserves only managed 1 win all season and were to be relegated to the first division but after much thought the club felt that they had no option but to withdraw the reserve team from the Somerset County League. Once again the U18s had a great season finishing runners up of the Somerset Floodlight Youth League in their first season in the Premier Division.

2019-20 Lee Rendall has appointed Gary Powell as his assistant/coach, Gary was at Paulton Rovers as coach before leaving at the end of last season and has brought a new flair and determination to the and with a lot of new signings plus a few old faces the pre-season went brilliantly with no losses and only 2 draws in all matches played.

## MACRON DEVON & EXETER LEAGUE

### EAST DEVON CUP

THORVERTON 5

2

WELLINGTON RESERVES

The Reserves showed their Jekyll and Hyde character as they were embarrassed at Thorverton in the East Devon Cup. After the recent weeks of early goals, it was Wellington who were to suffer this affliction this time round, finding themselves 4-0 down within 35 minutes and effectively out of the cup an hour before the final whistle. Poor defending and a lack of tracking back cost them dearly. Ollie Nott pulled a goal back before half-time to at least give some pride, if only tiny, to the halfway scoreline.

More resolve was shown in the second half, but Wellington never looked like the same team from the previous week's home hammering of Bow. The second half ended even at 1-1 thanks to a good header from Josh Baker but the overall scoreline of 5-2 was unarguably deserved from this showing. Changes will inevitably be made to this week's outing to Exeter University.

### RESERVE TEAM SPONSORSHIP

Thanks to [Karuta Sportswear](#) and sponsors Mark Owen of Fox Electrical and Matt Holmes of PRS Roofing for supplying our Reserves with new tracksuits. Also thanks to Sean Reece of PDQ Scaffolding for supplying the team's smart new polo tops.

## INVEST SOUTHWEST – TAUNTON SATURDAY LEAGUE - DIVISION 2

MIDDLEZOY

1

5

WELLINGTON A

Wellington travelled to Bridgwater looking to return to the top of the table and continue their perfect start to the season. On an artificial pitch, covered so much in crumb rubber that it looked like a burned Bake Off disaster, Welly made an uncharacteristic slow start and only a superb save from Sully Harlow, tipping a fierce shot on to the crossbar, prevented the concession of the first goal. However, in Jordan Sellick, Welly have a striker who knows his way to a goal better than a bachelor knows his way to a gentleman's club. Driving forward from midfield, Sellick's shot was too hot to handle for the Middlezoy goalkeeper and he opened the scoring. This changed the game as Wellington then began to show their quality. A delightful flicked header from Brad Holmes doubled the lead before Sellick again rose like a salmon to head in Welly's third from a corner.

Middlezoy though were a team playing with the right attitude and high energy. They grabbed their first goal after Welly failed to clear a corner and continued to be competitive throughout. Welly were able to seal the game however when substitute Joey Conway was in the right place at the right time to beat the Middlezoy goalkeeper in a one-on-one. Conway then provided the assist for Welly's final goal, driving in a low cross which was diverted goalwards by a defender.

Welly return to the top of the league and return to cup action this Friday against Nether Stowey

## EXTRACT FROM TOOLSTATION BULLETIN 6<sup>TH</sup> OCTOBER 2019

**Midweek Action:** **Shepton Mallet** finally suffered their first league defeat of the season on Tuesday, going down by one goal to nil against **Bradford Town**. In a tight contest between two of the Premier Division highflyers, Gary Higdon's goal just after the half-hour mark proved vital, with the Bobcat frontman tapping home a powerful cross from Matt Morris. **Bitton** returned to winning ways in the other Premier Division fixture, holding off a fightback from **Brislington** to gain a 2-1 home victory. Goals either side of the interval from Josh Egan and Harrison Kyte put Bitton in control of the contest, before visiting skipper Kye Thomas pulled a goal back from long range. Any hope of a Brislington comeback was all-but ended 15 minutes from time, when centre back Danny Barwood was given his marching orders and picking up his second yellow card of the evening.

Wednesday evening provided a pair of surprising results in the Premier Division, including **Clevedon's** heavy 6-1 defeat at home to **Street**. The home side were riding a five-game win streak heading into the fixture, but were no match for Street who ran out convincing winners at the Hand Stadium. Visiting skipper Kameron Andrews kept up his fantastic start to the campaign, scoring twice inside the opening hour, adding to goals from Olly Pearson and Olly Hebbard as they built a four-goal lead. Leighton Thomas added a fifth 15 minutes from time, with an own-goal stretching their lead out further before second half sub Nathan Groom struck a late consolation for Clevedon. The form book was also thrown out the window in south Somerset, where **Wellington** moved off the bottom of the table thanks to a 3-1 win over **Tavistock**. Wellington's attack had been struggling before this game, scoring just six times in eight games, but it came to life on Wednesday, with Conor Bryant's brace and a Josh Wadham strike putting them three goals ahead at the break. Tavistock pulled a goal back in the second half, but Wellington wouldn't be denied, and claimed their first home victory this term. **Westbury United** also secured three points, after a first half goal from Callum Demkiv snuck them past **Roman Glass St George** by one goal to nil. There were late goals aplenty in the clash between **Cadbury Heath** and **Hallen** which eventually finished in a 2-2 tie. Hallen went ahead in first half stoppage time when Matt Davis headed home a fine free-kick from Kyle Thomas, but the story of this game all came down to the final moments. The first of the late strikes from Matt Huxley got Cadbury Heath level two minutes from time, but they were then reduced to ten men to hand their hosts some renewed impetus. Hallen capitalised instantly with Tom Collett putting them back ahead, but Heath had the last word, with a bullet header from Ben Allen in the third minute of stoppage time bringing an end to a breathless encounter.

**Weekend Action - Premier Division:** In one of Saturday's Groundhop fixtures, **Bradford Town** secured their seventh league victory of the season after beating **Clevedon** 2-0. The visitors had been in excellent form prior to their midweek setback, but they came unstuck again at Trowbridge Road, after goals in either half from Tyson Pollard fired Bradford to all three points. It is **Plymouth Parkway** who continue to lead the way at the top of the table following a 5-0 victory away at **Hallen**. Two goals from leading scorer Adam Carter was bettered slightly by teammate Mikey Williams who fired home a hat-trick during the one-sided contest. **Westbury United** have now won three on the spin after seeing off **Bitton** by two goals to one in Wiltshire. After a curled free-kick from Ryan Bole put the home side ahead, Steve Hulbert then provided a cross for Matt Jones to volley home their second towards the end of the first half. Bitton attempted a second half fightback at Meadow Lane but could only strike once thanks to a deflected Mitch Tippins effort, suffering their first away defeat of the season. **Cribbs** snuck past **Buckland** in their bottom-half clash at the Lawns, with Jason Vincent's crucial goal midway through the second half leading the home side to a 1-0 victory. **Street** backed up their big win on Wednesday evening with another fine win on their travels, beating **Cadbury Heath** 2-1 at Springfield. Following a goalless opening half, Street struck twice in quick succession through Kyle Strange and Olly Pearson to move two goals ahead, before Heath trimmed the deficit thanks to a powerful header from Ben Allen. **Roman Glass St George** gained just their second league win of the season, beating **Shepton Mallet** 2-0 at Oaklands Park. Both goals for the hosts came during the second half, with Troy Simpson putting them ahead before Josh Morgan-Williams wrapped up victory later in the game. In an entertaining affair in South Bristol, **Chipping Sodbury Town** came away with a 4-3 win over **Brislington**. Having led 3-1 at the interval following goals from Luke Burman, Justin Bishop and Miles Gibson, the Sods let their hosts back into the game following a second half brace from Danny Barwood. Following a long winless run, the Sods finally got back on the winners trail, enjoying their best afternoon in front of goal all season. On Sunday, **Bridgwater** enjoyed a big win away at **Bridport**, with a four-goal first half blitz helping them to eventually claim a 6-0 victory. The opening 45 minutes was one-way traffic for the most part, with Bridgwater striker David O'Hare grabbing a hat-trick for the visitors. Mike Duffy also struck before the interval thanks a lobbed finish, with Sam Towler adding the finishing touches to the victory with two goals in the final ten minutes. Then, in the final game of the weekend, Jordan Harris and Aaron Denney each struck in the first half to give **Exmouth Town** a 2-0 win away at **Wellington**.
