## WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

## MATCH REPORT

**WELLINGTON            4            2            WELTON ROVERS**

Wellington made a victorious return to the Playing Field with a dominant display against Welton Rovers two weeks ago, in the last match they played. Prior to the game there was a minute' silence in memory of Her Majesty the Queen.

Because they share the ground with the cricket club, the Tangerines had played their first nine matches away from home.

That run included a 4-1 at Welton and, in the return fixture, they duly completed the double and could even afford the luxury of a missed penalty.

Wellington were on top throughout the first half and opened the scoring after only four minutes. A long throw by skipper Jack Bown-Porter was helped on by a Welton defender and Jake Quick nodded the ball home.

They doubled their lead in the 25th minute with a goal of sheer quality. Sam Towler found Joe Wragg with a great pass, received the ball back well outside the box and sent a blistering shot flying into the top corner.

Welton started the second half at a gallop but it was Wellington who increased their lead just after the hour mark.

Jake Quick was put clear with the visitors appealing in vain for offside and he was sent tumbling as he rounded the keeper with Towler scoring the resulting penalty.

Welton pulled a goal back after 73 minutes through Cameron Allen's low drive but Wellington restored their three-goal lead with six minutes remaining, Jake Quick turning Tom Stone's goal-bound effort over the line for his second of the game.

In a busy finish to the match, Welton scored a second through Jack Jenkin's volley before Wellington were awarded a second penalty - this time after sub Kelson Pollard was brought down. Towler was on a hat-trick but his spot kick was well saved.

Wellington: Charlie Hawkings, Stefan Phillips, Tom Stone, Jason Quick, Jack Bown-Porter, Joe Wragg, Eli Collins, Sam Towler, Nathaniel Groom, Miles Quick, Jake Quick. Substitutes: Glen Wright, Hasham Ashraf, Kelson Pollard, Sully McKenna (all used); Alex Cherry (not used).

## MAN OF THE MATCH

PHOTO: Striker Jake Quick was our man-of-the-match and received the award from vice-chairman Graham Aspin. The Aspin family sponsored the game in memory of our former chairman and manager Selwyn, who passed away ten years ago.

## TODAY'S VISITORS CLEVEDON TOWN

We extend a warm welcome to the players, officials and supporters of Clevedon Town for today's Toolstation League Premier Division game.

Clevedon FC are one of the oldest clubs in the West Country and were founder members of the Western League in 1892, having played friendlies and in county competitions up to that point. They only stayed in the Western League for 3 seasons before dropping into local leagues until returning for a second spell up until World War One. They played their early matches at the local cricket ground at Dial Hill before moving to a new site at Old Street (later named Teignmouth Road) in 1895, remaining there until 1992. After the Great War, they played in the Bristol & District and Bristol & Suburban Leagues before moving to the more senior Somerset Senior League in 1933, staying there until the outbreak of the Second World War. They continued to play throughout the war years, mainly in local leagues, before returning to the Western League after the war, remaining there, other than for one spell away, until they won the League title for the first time ever in 1992/93, when they were elected to the Southern League.

The period after World War 2 was to be one of their best spells and they achieved some national recognition for their exploits in the FA Amateur Cup during the 1950's in particular. For a small West Country club they enjoyed many excellent runs in that competition, playing some of the then giants of the amateur game such as Harwich and Parkeston, Pegasus and Billingham Synthonia, even enjoying a cameo appearance on the emerging television network, with notable victories being achieved against Salisbury, Briggs Sports and Ilford. It was in cup competitions that Clevedon had already gained success and they won the Somerset Senior Cup several times throughout their early history, going on to win the more senior Somerset Premier Cup as well in the 1980's and 90's.

Clevedon spent much of their history playing at junior level, during their early years and in the 1960's, or in the more senior Western League competition. However they finally achieved the next stage of their development when they won the Western League in 1992/93 and were promoted to the Southern League. The 1992/93 season also saw them move home for the first time in nearly a century when they moved to a purpose built stadium, The Hand Stadium, named after the Hand family who had been instrumental in the running of the club from the

1890's. In their first season at The Hand they went unbeaten and took their first Western League title, in front of an average gate of 421, breaking all kinds of scoring records on the way.

In their first ever season in the Southern League they finished in a very creditable fifth place under manager Steve Fey, all the more remarkable when considering that he took over the side in June with just three players remaining from the championship squad. The club settled into the Southern League and the 1998/99 season saw them win the Midlands Division and gain promotion to the Premier Division, where they remained for two seasons before suffering relegation. The club again gained promotion to the Premier Division under manager Phil Bater in 2006/07 and, in the same season, reached the 1st Round of the F A Cup for the first time in their long history, losing out to Chester City in front of a club record crowd of 2,261 at The Hand Stadium.

However, in common with many clubs, gates and income gradually fell and the club slipped back into Division One in 2009/10. Worse was to follow in summer 2011 when The Hand Stadium was sold outright and the club found themselves as tenants of their former home. There was however some success to cheer in 2011/12 when the club won the Red Insure Southern League Cup beating Premier Division team Banbury United 2-1 on aggregate under manager Micky Bell. Despite finishing 18<sup>th</sup> in 2014/15 Clevedon Town were demoted back to the Western League due to problems with their floodlights but the club is looking to build new foundations and emerge on a more stable basis. In October 2015 a sponsorship deal was agreed with a personal fitness company and the Hand Stadium was renamed The Everyone Active Stadium.

**PLEASED TO SUPPORT WELLINGTON AFC**

# WE'RE BACKING PLAY SAFE

ALL

in partnership with  
NSPCC

Supported by

Wellington AFC is lending its full support to Play Safe – an ongoing national campaign led by the FA to raise awareness of the importance of safeguarding in football.

Although it runs throughout the year, Play Safe really comes to the fore over football's National Safeguarding Weekend, held this year on October 1<sup>st</sup> and 2<sup>nd</sup>

The main focus is on parents and carers, with two key messages to convey:

- Awareness of the vital safeguarding role parents/carers play in football; and
- Encouragement to take a short, new and free online safeguarding course which been created specifically for parents/carers. You can access the course via <https://www.thefa.com/playsafe>

Our chairman, Mike Hall, said: “Wellington AFC is committed to providing a safe and enjoyable environment for all our youth and open age teams to participate in the game we love. We will be encouraging all our parents and carers to engage with the Play Safe initiative to help them understand the vital role we can all play in safeguarding.”

FA Chief Executive Mark Bullingham, himself a parent and youth football coach, said: “Ultimately, safeguarding is everyone’s responsibility.

“We all need to ensure that everyone involved in football – particularly children and young people – has a consistently safe and positive experience of our great game.

“Play Safe reminds everyone of that responsibility and keeps safeguarding front of mind, which is exactly where it should be.”

Play Safe is being run in partnership with the NSPCC and has the full backing of the Premier League, EFL, Barclays Women’s Super League and Barclays Women’s Championship. It’s also supported and being run across every other level of the game.

Importantly, encouragement to take the new online safeguarding course has come from FASSSAG – the FA’s **Survivor Support and Safeguarding Advisory Group**.

They say: “It’s vitally important to us that every parent/carer understands they role they need to play in football.

“Taking this course can make a real difference – we are asking every parent/carer to commit to help ensure football is ever-safer.”

## STITCH2PRINT DEVON & EXETER LEAGUE – DIV ONE WELLINGTON RESERVES 4 1 EAST BUDLEIGH

Our Reserves are still unbeaten after three matches as they dispatched East Budleigh at the Playing Field last Saturday.

The Tangerines conceded their first goal of the season to come from behind with four goals to secure all three points from their opening home league fixture.

The start of the first half saw the Reserves struggle to break down the visitors' back line. On 22 minutes a rare attack by East Budleigh saw the ball bounce awkwardly into the chest of keeper Jake Nichol and fall into the oncoming striker's path to pass the ball into the net.

A neat ball ten minutes later from Rohan Poulosom found Oli Nott who took the ball in his stride to shoot past the keeper for parity to half time.

The second half saw the team choosing better passing options and at a quicker pace skipper Amauri Ruiz put the hosts in front on 56 minutes with a well-directed header. In a revised formation Jordan Sellick came on as a sub made a perfect impact showing some neat footwork to increase the lead after 68 minutes. This was followed in the 82<sup>nd</sup> minute when hard-working striker Luke Perry eventually got his rewards with an instinctive finish.

Many thanks to sponsors Bussell Plant (man of the match) and Conway Cladding Ltd (matchball).

The team are away to Peasedown Miners Welfare in the Somerset Senior Cup this afternoon and entertain University of Exeter 3<sup>rd</sup> at the Playing Field on Tuesday evening (4<sup>th</sup> October) with a 7.15pm kick-off.

### MAN OF THE MATCH

Man of the match was Tom Davies who received the award from ex-player Keith Harcombe on behalf of sponsors Bussell Plant.

**WESTON ZOYLAND FIRST      5      0      WELLINGTON A**

Having played current Premier Division leaders in their last match, our A team travelled to second placed Weston Zoyland last Saturday. Unfortunately, with a number of players unavailable they suffered a 5-0 defeat.

They were in Cup action last night (Friday 30<sup>th</sup> September) when they played First Division Bridgwater Sports First at Castle Sports Centre. Next Saturday they are away to Redgate in the League.

## **SOMERSET COUNTY WOMENS LEAGUE - DIV ONE**

**BISHOPS LYDEARD RESERVES      3      0      WELLINGTON LADIES**

The Ladies travelled to Bishops Lydeard last Sunday and suffered a harsh defeat. A lively start to the game by both teams saw the Ladies throw their efforts forward but chances were missed. The home side were unable to break through the Ladies defence and there was no score at half-time.

The second half was end to end but Bishops Lydeard took the lead after 66 minutes and 10 minutes later doubled their score and then added a third as Wellington pressed forward in the hope of grabbing a late goal.

Player of the match was Maisie Waygood.

The Ladies entertain Portishead Ladies Reserves at the Playing Field tomorrow (Sunday) with a 2.00pm kick-off.

## **SOMERSET COUNTY WOMENS LEAGUE - DIV TWO (SOUTH)**

**WELLINGTON WILDCATS      2      0      PEN MILL LADIES RESERVES**

Following two away victories the Wildcats played their first game at home last Sunday. The team played with confidence in the first half but were unable to make a break-through and went in at half-time with the score 0-0.

The Wildcats got their reward in the 70<sup>th</sup> minute with Ella Harding scoring a well-deserved goal. Unfortunately they missed a penalty and were unable to double their score. They did however manage to grab a second goal through Ebony Sellick.

Tomorrow the team visit Middlezoy Rovers Ladies.

## WESTERN COUNTIES FLOODLIGHT YOUTH LEAGUE – SOUTH DIV

### WELLINGTON UNDER 18'S 1 4 WELTON ROVERS UNDER 18'S

Our Under 18s were unlucky to lose their opening game of the season to a strong Welton side at the Playing Field on 20<sup>th</sup> September. With the score 1-0 to Welton at the break and they managed to equalise early in the second half. Unfortunately they had a player dismissed for a second yellow card and had to play the final 30 minutes with only ten players. This gave Welton the advantage and they scored three more goals before the final whistle. Man of the Match was Ned Ogilvie. Thanks go to Match Sponsors Hawkings Cladding and food sponsor Ellie from the Green Dragon.

### WELLS CITY UNDER 18'S 7 2 WELLINGTON UNDER 18'S

The team suffered a further defeat in their first away match of the season when they were defeated 7-2 at Wells on Tuesday evening. The Under 18's went into the lead 1-0 then fell behind 2-1 but managed to equalise 2-2 before half time. Unfortunately they were unable to capitalise on their first half performance and eventually lost 7-2.
