WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

**ISUZU FA VASE
SECOND ROUND PROPER
WELLINGTON v ROYAL WOOTTON BASSETT TOWN**

Welcome to the Playing Field for today's Isuzu FA Vase Second Round game against Hellenic League Premier Division team Royal Wootton Bassett Town. They beat Bridport 5-3 in the first round of the competition and are currently in seventh place in their division.

The teams have met previously at the Playing Field in a qualifying round of the competition on 12th September 2004 when we ran out 4-0 winners. Our scorers on the day were Leon Taswell (2), Brendan Craggs and Alexis Piper.

Thanks are due to Royal Wootton Bassett for providing further information on the game which showed that our team also included Pete Land (GK), Craig Aspin, John Norman and Mark and Matthew Brereton.

As with last season, to avoid fixture congestion, the FA have decided that if, the match is a draw at the end of 90 minutes the game will be decided on penalties.

MATCH REPORT

WELLINGTON 5 0 KEYNSHAM TOWN

Wellington bounced back to form with a five-goal salvo against Keynsham Town at the Playing Field last Saturday (November 5th).

It earned revenge for our 4-0 defeat in Bristol in August and secured three valuable points with both sides having gone into the game locked together on nine points at the foot of the table.

The game was only four minutes old when Joe Wragg – back in the side from Exeter City duty – played the ball forward to Miles Quick. He then received it back before cutting inside and shooting low under keeper Joel Manning.

Wellington always looked more dangerous but the young Keynsham side kept them at bay until the 65th minute when Wragg struck again with a quality finish, lifting the ball over Manning and in off the inside of the far post.

That put the home side on the road to victory but they finished in style with three goals in the final six minutes.

Jason Quick scored with a flicked header from a free kick delivered by his twin Miles and then their brother Jake raced clear before producing a clinical finish.

There was still time for a fifth right at the death as sub Sully McKenna pulled the ball back to Jamie Nicholson who fired an unstoppable shot into roof of the net.

Wellington: Harley Wilkinson, Callum Chivers, Jack Bown-Porter, Eli Collins, Mark Cornish, Jason Quick, Jamie Nicholson, Sam Towler, Jake Quick, Miles Quick, Joe Wragg. Subs: Harvey Dorothy, Sully McKenna and Kelson Pollard (used); Heon Jin (not used).

TODAY'S VISITORS ROYAL WOOTTON BASSETT TOWN

We extend a warm welcome to the players, officials and supporters of Royal Wootton Bassett Town for today's FA Vase Second Round Proper game.

Situated six miles from Swindon, Wootton Bassett Town Football Club was first established in 1882, making the club one of the oldest in Wiltshire. The club's early achievements came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, although losing both. The club folded for a period pre-World War 1 before re-forming in the Calne & District League when it began playing at the Gerard Buxton Sports Ground which had been donated by a local dignitary for sporting activities within the town and opened in 1930.

Early successes included winning the Calne & District League in the 1930-31 Season, having finished runners-up the previous season, and then again in 1934-35. Following a move up to the Wiltshire League Division 2 promotion was earned again the following season and the team then remained in the top division in the county until the outbreak of war. After the war Wootton Bassett Town F.C. recommenced in the County League with limited success until 1958-59 when they won their first Wiltshire League title. In 1987-88 the Wiltshire League Division 1 title was won, elevating the club into the Hellenic League, where they have remained ever since. The club finally won the Wiltshire Senior Cup in 1998-99 and repeated this achievement in 2000-01. The club have had three spells in the Hellenic Premier and the current spell in the topflight commenced after gaining promotion back in 2012-13. The highest finish so far was 10th spot in Season 2018-19 in Sam Collier's first full season in charge.

Since the onset of the new millennium the club has expanded significantly, with the establishment of a thriving Youth Section, a very successful Ladies Section and a Veteran's Section. The club now operates 28 teams from under 7s upwards. All now play their games at the relocated Gerard Buxton

Sports Ground, which opened in the summer of 2015 and with the Royal title now included within the name, Royal Wootton Bassett Town continues to thrive as a key part of the community of Royal Wootton Bassett. This growth led to the club being awarded Charter Standard Development Club status by the Football Association in 2008 before this was upgraded to Community Club status a year later, the first club in Wiltshire to achieve this. International ties have also been established with Dutch amateur side FC 's-Gravenzande who sides from the club's Youth Section visit each year, although currently stopped due to Covid.

In Season 2020-21 the club had good cup runs in both the FA Cup and the FA Vase, as well as the Hellenic League end of season cup competition. In the FA Cup the club equalled their best performance in the prestigious competition, reaching the 2nd Qualifying Round, losing narrowly to a late winner against National League South side Oxford City. The club also equalled their best showing in the FA Vase making it through to the Second Round. In the Bluefin Insurance Cup competition, they safely progressed from the group stages and then won two knockout games to reach the semi-final but just fell short against eventual winners Kiddlington, going down 2-1 in the semi. Whilst doing well in the cup competitions the side never really got going in the league. It was a similar story last season with the best form again being shown in the cups with Royal Wootton Bassett Town reaching the 3rd Round of the FA Vase for the first time in the club's history, eventually losing a tight game to Hamworthy who were to go on to reach the semi-final. Season 2022-23 sees Sam Collier in charge of the First Team for his fifth season and he will be assisted in the dugout this season by Alan Griffin and club coach Mark Simpkin

HISTORY OF THE FA VASE

The FA Vase effectively replaced The FA Amateur Cup in 1974. In that year The FA Council had decided to abolish the official distinction between amateur and professional footballers and this meant the end of The Amateur Cup and Amateur Internationals involving England.

In its first season 220 clubs entered, but they did not include those that had dominated in The Amateur Cup. Enfield, Hendon, Dagenham, Skelmersdale United and others at their level were immediately allocated to The FA Trophy.

For the first time in history, small clubs – even village clubs – had the chance of playing in a national final at Wembley. The first Vase finalists were Hoddesdon Town from the Spartan League and Epsom & Ewell from the Surrey Senior League. The Hertfordshire side edged home 2-1 before a crowd of 9,000.

Even a competition as democratic as The Vase had its elite clubs in the early years. Billericay Town, initially of the Essex Senior League, won it three times in four seasons. Halesowen Town, then in the West Midlands Regional League, appeared in three Finals and were successful in two. They even beat a Southall side that had a young Les Ferdinand leading the attack.

Until the new Wembley opened in 2007 the record attendance for a Vase Final was the 26,489 who saw the drawn 1989 Final between Sudbury Town and Tamworth at the old Wembley. Tamworth won the replay 3-0 at Peterborough and Ian Moores, a former Division One player with Tottenham Hotspur, scored one of the goals.

The 2013-14 Vase competition was the 40th in history. Wembley had hosted 34 Finals, Villa Park and St Andrews two each, Upton Park and White Hart Lane one each. Thirty-two different clubs have got their hands on The Vase, donated by former FA Councillor Frank Adams. Whitley Bay lead the way with four wins.

Only six teams have won the FA Vase more than once. Whitley Bay are the only team to win the FA Vase three times in successive seasons, while Billericay Town, Tiverton Town and Halesowen Town have won back-to-back titles. As of 2017–18, at least one Northern League team has reached the final for 10 consecutive seasons, with teams from the league winning the title in all but two of those years. In 2017 Forest Green Rovers became the first FA Vase winners to go on to play in the English Football

League, while one former Football League team (Glossop North End) have been beaten finalists.

The current holders of the Vase are Newport Pagnell Town who beat Littlehampton Town 3-0 on Non-League Finals Day at Wembley Stadium.

PLEASED TO SUPPORT WELLINGTON AFC

AROUND THE CLUB

As well as the First Team the Reserves, A Team and Ladies were in action last weekend.

On Saturday the **Reserves** bounced back from the previous week's crazy defeat by thumping East Budleigh 8-1 with hat-tricks from Logan Sellick and Luke Perry plus goals from Rohan and Wes Poulosom. There is no game for the team this afternoon but they visit Newton St Cyres next Saturday (19th November)

On Friday evening (4th November) the **A Team** bowed out of the Britannia Lanes Taunton Saturday League Knock-Out Cup with a 6-1 defeat by North Curry at Castle School Sports Centre. Their goal came from Dominic Healey. They return to League action this afternoon with a trip to Wyvern United and are in cup action again at Castle School on Friday (18th November) against Watchet Reserves in the Rowbarton Charity Cup with an 8.00pm kick-off.

It was a difficult afternoon for the **Ladies** last Sunday (6th November) when they were beaten 5-1 away to Paulton Rovers Ladies Reserves. Their goal came from Tash Hole. Due to the unfortunate serious injury to a Bath City player in a recent game at Twerton Park the Ladies away fixture against Bath City Ladies scheduled for this Sunday (13th November) has been postponed

Unfortunately the **Wildcats** at home against Sydenham Rangers Ladies Blue last Sunday (6th November) was cancelled due to standing water on the Playing Field pitch. With the Remembrance Service at the nearby Park tomorrow afternoon they play their scheduled home game against Combe St Nicholas Ladies at Castle School, Taunton, with a 2.00pm kick-off.

In the Western Counties Floodlight Youth League South Division the **Under 18s** were away to Axminster Town on Thursday.
