WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

MATCH REPORT

Les Phillips Cup first round

Bridgwater United 2, Wellington 4

An excellent all-round performance saw Wellington put holders Bridgwater United out of the Toolstation League's Les Phillips Cup at Fairfax Park on Tuesday night.

With the hosts only knocked off the premier division's top spot because they didn't play at the weekend, and Wellington lying third from bottom, the odds were stacked against the Tangerines. But they had already drawn twice with United in the league and went one better at the third attempt with a well-deserved victory.

Wellington took the game to the home side from the kick-off and went ahead after nine minutes as the ball broke to Jake Quick who burst forward before producing a clinical finish. Bridgwater went close twice in quick succession before drawing level in the 20th minute. A low cross found its way to Jake Brown who made no mistake.

Almost immediately, the visitors thought they had regained the lead only for another Jake Quick effort to be ruled out for offside.

But they were not to be denied and stunned Bridgwater with two goals in ten minutes before the break. Harvey Dorothy cut inside to shoot home after 26 minutes and then Joe Wragg produced some neat footwork before also driving low into the net.

It could even have been 4-1 at the interval as Jamie Nicholson, who recorded a couple of assists on the night, saw a curling shot come back off the post.

Not surprisingly, Bridgwater took the game to the visitors after the break – Conor Hartley hitting the bar – but Wellington defended superbly and the home cause was not helped by the dismissal of Jacob Spence in the final minute.

They did manage to pull a goal back in injury time when Rob Edwards swept home a low cross, but Wellington restored their two-goal advantage right at the death with Quick again racing clear for his second goal of a memorable night.

MATCH REPORT
Isuzu FA Vase second round
Wellington 2, Royal Wootton Bassett Town 2
(RWBT won 5-4 on penalties)

Wellington bowed out of the Isuzu FA Vase at the second-round stage with a penalty shootout defeat at home to Royal Wootton Bassett Town last Saturday.

The visitors from Wiltshire were quicker out of the blocks and went ahead after only ten minutes. Home keeper Harley Wilkinson pulled off a good block but, when the ball was only cleared as far as visiting skipper Tommy Ouldrige, he produced a perfectly placed chip into the net.

Wellington's starting 11 included five teenagers and two of them were involved in the equaliser after 25 minutes. A fierce shot from Kelson Pollard smashed into the face of Bassett's Dave Bampton and Henry Woodward marked his full debut by driving low into the net.

Bassett had a great chance to regain the lead eight minutes later when Rhys Talmash was sent racing clear but Wilkinson, who has proved a great acquisition for Wellington, again saved well.

Wellington then hit back to take the lead on the stroke of half-time. A long throw by skipper Jack Bown-Porter dropped to Jake Quick in the box and the striker turned in an instant to hook the ball into the roof of the net.

The second half saw Bassett pressing for an equaliser with the Tangerines struggling to get out of their half, but it looked like some stubborn defending would keep the score at 2-1 until a late tactical switch by the visitors.

They threw defender Landon Golding into attack and, with nine minutes left on the clock, he lunged at a low cross alongside his marker Jason Quick and the ball ended up in the net.

With no further goals, the tie moved straight to penalties with Wellington taking first and substitute Stefan Phillips seeing his effort thump against the foot of the post. Both sides then converted the rest of their kicks and so Bassett sealed victory.

TODAY'S VISITORS SALTASH UNITED

We extend a warm welcome to the players, officials and supporters of Saltash United for today's Toolstation League Premier Division game.

Football in Saltash was first played as long ago as 1893. Teams played under several names – Essa, Saltash Stars and Saltash Town among them. The Saltash team disbanded with the onset of the Second World War but a new club, Saltash United, was formed for the 1946–47 season, playing in the Cornwall Senior League Eastern Section.

In the 1950–51 season, the Ashes won the 'Triple Crown' taking all three Cornish senior trophies: the Cornwall Senior Cup, the Durning Lawrence Charity Cup and the Herald Cup.

In 1951-52, Saltash United made the move to their current location at Kimberley Stadium. The same season saw the formation of the South Western League and, being the top club in Cornwall at the time, Saltash United became founder members of the league. Runners-up in the league's opening season, the Ashes were the first team to win the South Western League Cup, defeating Torquay United Reserves 3-2 in the final.

Two seasons later, they won the title in the 1953–54 campaign. The club stayed in the South Western league until the end of the 1976 season except for a four-season period when they left the league at the end of the 1958–59 campaign and re-joined again for the 1962–63 season. In their last season in the South Western League, 1975–76, they won the league for a second time.

On gaining promotion from the South Western League to the Western League in 1976, Saltash won the First Division Championship in their first season. The Ashes went on to become one of the great forces in the Western League Premier Division during the 80s in which barely a season went by without the team securing at least one piece of silverware.

Irregular entrants since 1970, Saltash fell agonisingly close to reaching the FA Cup first round in 1987. Farnborough FC, then of the Isthmian League Premier

Division, won the Fourth Round Qualifying tie, ending the most successful run for Saltash in the famous competition's history. Farnborough went on to lose 2–1 to Cambridge United in the First Round.

By the end of the 1994–95, season the club returned to the South Western League as the high travelling expense of competing in the Western League took its toll. Former European Cup winner Allan Evans became manager in 2002 and his influence was immediately felt with new players and a new approach to club discipline and training.

Despite re-joining the Western League First Division for two seasons in 2004–05 and 2005–06, the club have since been unable to repeat the success of the 1980s. In 2007, they joined the newly formed South West Peninsula League finishing the inaugural season as runners-up.

Since Saltash joined the South West Peninsular League Premier Division in 2007, when the South Western League and Devon County League merged, they were always in the top half of the table. Their best finish was runners-up in 2007-08 and 2016-17 seasons and their lowest finish was in the 2009-10 season when they finished ninth. The club broke their record for most consecutive wins at the start of a season by beating St Blazey 5-0 on 27th August, 2016.

During their time in the league, they won the Charity Bowl in 2008. During the Peninsular league era, they came runners-up in the Cornwall Senior Cup in 2007-08 losing 2-1 to Truro City, 2011-12 losing 3-2 to Bodmin Town and 2016-17 losing 2-1 to Bodmin Town.

Season 2017-18 saw the Ashes lift the Senior Cup, beating Mousehole 3-1 in the final. In season 2018-19, they were unable to retain the Cornwall Senior Cup, losing 2-1 to Falmouth in the final. However revenge was sweet when, two weeks later, Saltash beat Falmouth 1-0 to win the Peninsular League Cup.

Following the two curtailed Covid seasons, Saltash were promoted to the Toolstation Western League following the FA reshuffle of the league pyramid. Promotion was awarded on a points per game basis achieved over the two seasons. Saltash achieved an average of more than 2.8 points per game which was the greatest number in the country.

EXTRACT FROM TOOLSTATION BULLETIN 13TH NOVEMBER 2022

FA VASE: It was a mixed bag results wise for the Western League sides in Vase action, with a trio of Premier Division sides moving through to the next round following resounding wins. **Clevedon Town** were one of those to progress after they flew out of the blocks in their 4-0 victory at home to Mangotsfield. After Mitch Osmond's long ranger put the Seasiders ahead within two minutes of the game kicking off, they then moved two clear soon after thanks to Ethan Feltham. Archie Ferris then curled home a third in the 13th minute to add to Clevedon's dream start, with Alex Camm's second half penalty then completing the scoring. Things went equally well for **Bridgwater United** who scored four unanswered goals of their own in a win away at Elburton Villa. A 16th minute penalty from Jack Taylor sent the ball rolling, with an effort early in the second half from David Thorne then giving them a slightly more comfortable buffer. Top scorer Jake Brown increased the lead to three with Bridgwater's next attack, before the influential Tom Llewellyn then added a late fourth. The other Toolstation side to move on to the next round were **Buckland Athletic**, with Ryan Bush helping spearhead a come-from-behind win at home to Cullompton Rangers. Having fallen behind to a counter-attacking goal after half an hour, the Bucks regrouped at the interval, with Bush stroking them level five minutes after the restart. Bush then struck again on the hour mark to turn the game in the home side's favour, with Cieran Badger pushing the lead out to two with a curled finish. Buckland then scored twice more in stoppage time to add some gloss to the victory, with Rob Farkins and Owen Stockton adding their names to the scoresheet.

PREMIER DIVISION: **Saltash United** took full advantage of Bridgwater being in cup action, with a 2-0 win away at **Sherborne Town** helping them jump up into top spot. The Ashes showed no signs that they were feeling the pressure during the opening passages, taking a ninth minute lead through Mike Smith after he did well to convert Alex Cairo's pinpoint cross. Smith's goal was all that stood between the sides for much of the afternoon but then, with just three minutes remaining, Harrison Davis fired home a set-piece to confirm Saltash's ascension to the head of the division.

PLEASED TO SUPPORT WELLINGTON AFC

AROUND THE CLUB

The A team were our only other senior team in action last weekend – they went down to a 6-3 defeat away to Wyvern United in the Premier Division of the Britannia Lanes Taunton and District Saturday League. They were in cup action last night (Friday) v Watchet Town Reserves at The Castle Sports Centre in Taunton. This afternoon (Saturday), the Reserves are away to Newton St Cyres in the Stitch2Print Devon & Exeter League Division One.

Wellington Ladies and the Wildcats Ladies are both at home in the Somerset County Women's League tomorrow (Sunday). The Ladies take on Woodspring Women at the Playing Field while the Wildcats play Crewkerne Rangers, also at Castle Sports Centre. Both games kick off at 2pm.

TEAM PICTURES

On the following pages are recent pictures of the Reserves, A team and Ladies. Grateful thanks are due to sponsors:
