WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

MATCH REPORT

MILLBROOK 0 1 WELLINGTON

Wellington returned to action with three valuable – and well-deserved points – from their trip to Cornwall on Saturday.

After a goalless draw between the sides at the Playing Field in early January, the Tangerines opted for a three-man defence, allowing them to bolster their midfield with an extra player.

The move paid dividends as they enjoyed far more possession, although for nearly two-thirds of the game it looked like another stalemate was on the cards until the visitors made the vital breakthrough.

On a difficult surface, Wellington bossed the open stages with Ryan Brereton's shot and Jason Quick's header both producing smart saves from keeper Chris Wearing.

As in the first meeting between the sides, Millbrook were an occasional threat on the counter attack and the visitors were thankful to Callum Chivers for an excellent clearance and keeper Harley Wilkinson for a smart block as the first half ended 0-0.

Wellington showed their intent straight from the restart and nearly went in front when Tom Stone's flick found Jake Quick whose shot was diverted on to the post by a Millbrook defender.

Eli Collins then blasted over from inside the Millbrook box before the deadlock was finally broken after 67 minutes.

Young winger Kelson Pollard charged down a clearance and the ball broke to striker Jake Quick who advanced on goal before producing a clinical finish. That was enough to settle the game as Wellington held firm to collect a clean sheet in addition to the points as they strive to pull away from the lower reaches of the table.

TODAY'S VISITORS CLEVEDON TOWN

We extend a warm welcome to the players, officials and supporters of Clevedon Town for this evening's Les Phillips Cup game. This is their second visit of the season with the league game in October resulting in a 2-1 win for the visitors.

Clevedon FC are one of the oldest clubs in the West Country and were founder members of the Western League in 1892, having played friendlies and in county competitions up to that point. They only stayed in the Western League for 3 seasons before dropping into local leagues until returning for a second spell up until World War One. They played their early matches at the local cricket ground at Dial Hill before moving to a new site at Old Street (later named Teignmouth Road) in 1895, remaining there until 1992. After the Great War, they played in the Bristol & District and Bristol & Suburban Leagues before moving to the more senior Somerset Senior League in 1933, staying there until the outbreak of the Second World War. They continued to play throughout the war years, mainly in local leagues, before returning to the Western League after the war, remaining there, other than for one spell away, until they won the League title for the first time ever in 1992/93, when they were elected to the Southern League.

The period after World War 2 was to be one of their best spells and they achieved some national recognition for their exploits in the FA Amateur Cup during the 1950's in particular. For a small West Country club they enjoyed many excellent runs in that competition, playing some of the then giants of the amateur game such as Harwich and Parkeston, Pegasus and Billingham Synthonia, even enjoying a cameo appearance on the emerging television network, with notable victories being achieved against Salisbury, Briggs Sports and Ilford. It was in cup competitions that Clevedon had already gained success and they won the Somerset Senior Cup several times throughout their early history, going on to win the more senior Somerset Premier Cup as well in the 1980's and 90's.

Clevedon spent much of their history playing at junior level, during their early years and in the 1960's, or in the more senior Western League competition. However they finally achieved the next stage of their development when they won the Western League in 1992/93 and were promoted to the Southern League. The 1992/93 season also saw them move home for the first time in nearly a century when they moved to a purpose built stadium, The Hand Stadium, named after the Hand family who had been instrumental in the running of the club from the 1890's. In their first season at The Hand they went unbeaten and took their first Western League title, in front of an average gate of 421, breaking all kinds of scoring records on the way.

In their first ever season in the Southern League they finished in a very creditable fifth place under manager Steve Fey, all the more remarkable when considering that he took over the side in June with just three players remaining from the championship squad. The club settled into the Southern League and the 1998/99 season saw them win the Midlands Division and gain promotion to the Premier Division, where they remained for two seasons before suffering relegation. The club again gained promotion to the Premier Division under manager Phil Bater in 2006/07 and, in the same season, reached the 1st Round of the FA Cup for the first time in their long history, losing out to Chester City in front of a club record crowd of 2,261 at The Hand Stadium.

However, in common with many clubs, gates and income gradually fell and the club slipped back into Division One in 2009/10. Worse was to follow in summer 2011 when The Hand Stadium was sold outright and the club found themselves as tenants of their former home. There was however some success to cheer in 2011/12 when the club won the Red Insure Southern League Cup beating Premier Division team Banbury United 2-1 on aggregate under manager Micky Bell. Despite finishing 18th in 2014/15 Clevedon Town were demoted back to the Western League due to problems with their floodlights but the club is looking to build new foundations and emerge on a more stable basis. In October 2015 a sponsorship deal was agreed with a personal fitness company and the Hand Stadium was renamed The Everyone Active Stadium.

All of the Club's senior teams were in action over the weekend.

On Saturday the **Reserves** stretched their unbeaten run to six games and moved up to fourth place in Division 1 of the Devon & Exeter League. They beat Newtown 2nds 1-0 at the Playing Field with their goal coming from Luke Perry. Man of the Match was Dominic Healey who received his award from team mate Tom Davies on behalf of match sponsors Hi-spec Fencing and Landscapes Ltd.

On Saturday the Reserves are away to Hatherleigh Town 1st.

The **A Team** entertained Wyvern United at the Recreation Ground and drew 3-3 with goals from Tom Scarlett, Nathan Roberts and Reegan Scotcher.

On Friday, 3rd February they play North Petherton 1st in the Second Round of the Rowbarton Charity Cup at Castle Sports Centre with an 8.00p kick-off.

It was a heart-breaking afternoon for the **Ladies** in Division One of the Somerset County Women's League on Sunday when they visited Ilminster. After dominating the game and having plenty of chances, it was Ilminster who took the 3 points with a late goal. Next Sunday they travel to Banwell Ladies.

In Division Two (South) the **Wildcats** travelled to Bridport Youth Ladies and came away 2-0 winners. Their goals came from Ebony Sellick and Robyn Stockman and this leaves them 6 points clear at the top of the table. Next Sunday they travel to Pen Mill Ladies Reserves.

In the Western Counties Floodlight Youth League Cup the **Under 18s** were away to Welton Rovers Under 18s last Thursday and suffered a 7-0 defeat. Their next game is in the League on Tuesday 7th February when they visit Chard Town Under 18s.
