## WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

## MATCH REPORT

**ASHTON & BACKWELL 4 0 WELLINGTON**

Wellington's unbeaten league run came to a disappointing end at Ashton & Backwell last Tuesday.

For three-quarters of the game, it looked like the Tangerines' recent improved results would continue. But, once Backwell had made the breakthrough, the home side didn't look back as they extended an impressive run of results on their own turf.

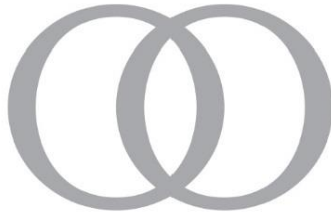

Wellington's starting 11 was without injured striker Jake Quick and defender Tom Stone but included debutant Alfie Clark, a loan signing from Exeter City. Playing down the slope, they matched Backwell in a high-tempo first half which ended goalless. The home side hit the bar and the post while Wellington also had their chances without being able to make the breakthrough.

The visitors found themselves pegged back after the break as the hosts relished playing downhill with some resolute defending ensuring the scoreline remained blank.

But Backwell made the breakthrough after 70 minutes as the ball was played through to sub Miles Hardidge on the right and, with Wellington appealing in vain for offside, he made ground before shooting home. Seven minutes later, Hardidge was sent clear again and this time he rounded keeper Harley Wilkinson for his second.

Wellington's makeshift striker Ryan Brereton was denied by a good save before two goals in the dying minutes gave the home side a flattering margin of victory.

Hardidge completed his hat-trick from the penalty spot and then Charlie Saunders fired in number four during stoppage time.

## **MATCH REPORT**

### **SALTASH UNITED 4      0      WELLINGTON**

Wellington suffered their second successive four-goal defeat as they went down away to league leaders Saltash United in Cornwall on Saturday (11<sup>th</sup> February).

Just like their midweek reverse at Ashton & Backwell, a pair of late goals produced a scoreline which flattered the hosts – although this time the Tangerines had to play the final 28 minutes with ten men after what looked like a harsh sending off.

Wellington, who drew 1-1 with Saltash at the Playing Field in November, welcomed back fit-again striker Jake Quick but were still without injured central defender Tom Stone.

They had their backs to the wall from the kick-off and the hosts eventually went ahead after 26 minutes as the ball was crossed to the far post and dropped for Sam Farrant to volley home.

Wellington kept the scoreline at 1-0 until the break but the game then turned on an incident 17 minutes into the second half. Defender Alex Cherry was ruled to have pulled back a home striker as he advanced on goal and, after consulting with his assistant, the referee produced a red card – much to the surprise of many at the ground.

That left the visitors with a mountain to climb and they fell further behind after giving the ball away on 71 minutes, Harrison Davis dribbling towards goal before producing a cool finish. To their credit, Wellington refused to lie down and they almost pulled one back shortly afterwards when sub Glen Wright saw his header come back of the bar.

But Saltash made their man advantage count in stoppage time as Sam Davis bagged a brace of goals from close range to seal their win and continue their bid for promotion.

## MAN OF THE MATCH

Our man-of-the-match at Saltash United was skipper Jack Bown-Porter who is pictured, left, with joint manager Tim Legg.

## TODAY'S VISITORS BARNSTAPLE TOWN

We extend a warm welcome to the players, officials and supporters of Barnstaple Town their second visit of the season to the Playing Field. In October the teams met in the First Round Proper of the FA Vase with Wellington progressing to the Second Round with a 2-0 win.

Founded in 1904 as Pilton Yeo Vale, the club entered the North Devon league. They were founder members along with Ilfracombe, South Molton, Pilton Social Barnstaple Y.M.C.A, Braunton and Bideford. Their first ever league match was on 1st October 1904 when they played Ilfracombe at Pilton Park and were defeated 4-2.

The club changed its name to Barnstaple Town at the end of the season and continued in the North Devon League, Devon & Exeter League and then the South Western League.

When the Western League was reformed after the Second World War, Barnstaple Town entered two teams, one in division 2 and a reserve side in division 3.

The early 1950's were one of the club's most successful times under the management of Arthur Coles. In 1953, Barnstaple won the Western league First Division Championship but only after a nail biting climax to the season with everything depending on the results of matches being played on the final day of the League Season. On that day, Barnstaple Town beat Dorchester Town 6-1 and their challengers for the title, Street won 2-1 at Wells City. That left the side's level on points and when the goal average was calculated Street had 2.07 and incredibly Barnstaple had 2.08. The club also beat Plymouth Argyle in the final of the Devon Pro' Cup at Home Park that season, but sadly Coles moved on to Weymouth and the club never had quite the same success again.

Cameron Buchanan, the former Wolves and Bournemouth player, local lads Fred Smale and Ray Smith, Bill Johnson formerly of Grimsby Town, Noel Peyton, the ex-Leeds United and Eire International, John Hancock formerly with Exeter

City and ex Barnsley and Doncaster Rovers player Lol Chappell all tried to revive Barnstaple's fortunes from the manager's seat but with no great success.

Player Manager Charlie Sells, who had been with Exeter City, built up the club in the 1970's followed by the former Andover keeper Trevor Morris and then Brian Perks. Perks left Mill Road for Bideford during the season of 1979/80 and under the guidance of joint managers Brian Hill and Dave Baglow, Barum went on to win the Western League Championship for the second time, winning by one point from AFC Bournemouth Reserves. That title went virtually unnoticed as there was a printer's strike at the time and no newspapers were printed.

Richard Gray took over the following season and brought some success to the club although they never won the title. A couple of seasons later he left after a disagreement with the club, and after a succession of managers Town lost their Premier status in 1989/90. Brian Hill was again appointed manager to put Town back in the Premier Division and after 3 seasons in the wilderness won the First Division Championship in 1993/94 in fine style scoring more goals and recording more points than ever before.

Jeff Evans was appointed manager in 2002 and along with his assistant Peter Buckingham guided the club to the final of The Devon Bowl where they were narrowly beaten by Tiverton Town. The following season Peter Buckingham took over as sole manager and Barum finished in seventh place in the league, their highest finish for many a season. During the 2008/09 season Owen Pickard took over the manager's seat for his first taste of management and was able to save the club from what looked like certain relegation at the Christmas period of the season. Barnstaple remained in the Premier League until the end of the 2012/13 season when they were relegated to Western League Division One – the first time in their history that they had finished at the bottom of their division.

The gloom surrounding Mill Road was to be short lived as in the December of 2013 the club appointed the joint management team of Barry Yeo and Karl Baggaley. Building a squad where, on occasions, all eleven players on the field were born in Barnstaple – surely a record that not many teams at any level of football would be able to equal - the managers turned the 2013/14 season around and finished a creditable 3rd. In their first full season in charge, 2014/15, the club returned to the Western League Premier Division by winning the First Division title for the 3rd time in its history. Their total of 100 points, 128 goals

scored and a goal difference of 101 were among 15 club records set during the year, in addition to reaching the final of the Les Phillips Cup for the second time.

2015/16 was to be equally successful. After an average start the team went on two long unbeaten runs which saw them finish as runners up in the Premier Division, missing out on back to back titles by just 3 points, but securing the coveted prize of promotion to the Southern League Division One South & West. This would see them playing at the highest level in the club's history – the biggest step the club had taken since joining the Western League in 1948. At the end of 2016/17, having secured Southern League football for a second season with a 17th place finish, the management duo stood down and as is often the case in these situations, most of the players also left for challenges elsewhere.

In more recent times the club found life in the Southern League challenging, a combination of other club's misfortunes and a global pandemic saved the club from relegation on three occasions. Bill Wilson was appointed as new Chairman of the club in November 2021 with Mick Wadsworth as director of football and the appointment of Craig Laird as first team manager. Despite a gallant attempt relegation from the Southern League could not be avoided in the 2021/22 season. We now embrace a new challenge in the Toolstation Western League Premier Division.
