## WELLINGTON AFC Club History

Formed in 1892, we are proud to be an FA Accredited Club. Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously-serving members.

The First Team entered the Western League in the First Division in the 1978-79 season and played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division Champions at the end of the 2016-17 season. In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-final of the Somerset Premier Cup losing 4-1 away to Southern League club Paulton Rovers. The following season, the team finished in 16th place but unfortunately, the next two campaigns were brought to an early conclusion by the Coronavirus pandemic.

Last season provided new challenges for the team, including starting the season with a trip to Mousehole and a final match at Helston on Easter Monday. The side achieved their highest position in the Toolstation Premier League since the 2009-10 season (14th) and equaled the club's longest run in the FA Vase (third round). The 2022-23 season again presents new challenges and new grounds to visit with teams being promoted to and relegated into the Premier Division. Joint managers Tim Legg and Alex Pope are again in charge of the side.

The Reserves were top of Division One West in the Devon and Exeter League when the 2020-21 season was terminated due to the Covid pandemic. The league took the opportunity to restructure for the start of the 2021-22 season and move away from the East and West Divisions and, as a result, the Reserves were placed in Division One where they finished in fifth place. Although there has been some movement of teams within the league the Reserves, under new manager, Nick Buttle, have remained in Division One for this season.

Having played in the Devon and Exeter League for a number of seasons, the A team transferred to Division Three of the Taunton Saturday League for the 2018-19 season when they finished a creditable third, gaining promotion to

Division Two for the 2019-20 season. They gained further promotion to Division One for the 2020-21 season and were topping the table when the season was forced to end due to the Covid pandemic. They won their group in the league's Covid Cup and also won the Seward Cup held over from 2019-20. Last season they finished in fifth place and, under manager Warren Toth, are in Division One again this for this campaign.

The club's Ladies played in the Somerset County Women's League Division Two (Flexi) in the 2020-21 season, finishing a creditable third when the season resumed. Last season they again played in Division Two where they finished in second place and reached the quarter-finals of the League Knock-Out Cup. Under manager Nyima Touray, they have been promoted to Division One for the 2022-23 campaign. This season there is also an additional Ladies Development Team, giving the opportunity for players to progress from the Wildcats Under 16s to senior football.

Last season, our youth teams once again performed well in their respective league and cup competitions, notably the Under 14s Town won their division and were runners-up in the league cup while the Under 12s United and Under 15s Town teams both finished runners-up in their division. All the other youth teams, boys and an increasing number of girls, acquitted themselves well and continue to be run by a small army of enthusiastic volunteers.

Our three Disability teams also performed well in their league and, this season, instead of three adult teams, we have two adult teams and a youth team.

In total this season, the club are running no fewer than 33 teams.

We continue to work with the town and district councils to pursue the club's attempts to establish a new First Team facility on land on the new Longforth Farm Estate on the edge of the town. This would then free-up the Playing Field for other teams to use. We are also working with the Wellington Sports Federation on the Somerset West and Taunton Playing Pitch Strategy regarding other land in the town where it is proposed a number of youth sports pitches would be provided.

Outside our core footballing activities, Wellington AFC is home to several darts and skittles teams and we run a full programme of social events for members and non-members alike with the impressive Function Room and Lounge available for hire.

## FIXTURES UPDATE

The following dates have now been confirmed for the remaining fixtures for the First Team.

- Monday 10<sup>th</sup> April – away to Cadbury Heath – kick-off – 3.00pm
- Wednesday 12<sup>th</sup> April – home to Ilfracombe Town – kick-off -7.45pm
- Saturday 15<sup>th</sup> April – home to Torpoint Athletic – kick-off – 2.00pm
- Saturday 22<sup>nd</sup> April – away to Mousehole – kick-off – 3.00pm

Their final game of the season will be on Tuesday 25<sup>th</sup> April against Helston Athletic. Due to other fixture commitments of both teams and the Club having to take down the floodlights on Saturday 15<sup>th</sup> April, in readiness to vacate the ground for the Cricket Season it has been necessary to move this fixture to Buckland Athletics Ground (Homers Heath, Newton Abbot TQ12 1DG). We hope to see as many supporters as possible for a 7.30pm kick-off.

The Club regret having to make this decision but it ensures that the First Team are able to complete their fixtures by the agreed end date of the season. We would like to extend our thanks Helston Athletic, Buckland Athletic, Tim Legg, Alex Pope and all of the First Team players for their support and understanding.

# MENTAL HEALTH GUIDANCE

At Wellington AFC we want access to Mental Health support to be as easy as **ABC**:

## AWARENESS

In the UK, 1 in 4 people will experience poor mental health of some kind each year. That means that in a matchday squad of 16, 4 of your teammates may face mental health problems over the course of the season.

## BALANCE

It would be perfectly normal if you were one of those 4 team members. With that in mind we promise to ensure each conversation held around mental health is level-headed, non-judgemental, and met with empathy.

## CONNECTION

Wellington AFC is a true Community Club, and we would like to be a support hub for all our players, parents, volunteers, supporters, and neighbours. We may not have all the answers, but we will support you in finding professional help.

If you are struggling with your mental health, or are concerned about someone else, you can speak to your Club Mental Health First Aiders, Mike Hall or Alex Pope (email them confidentially via [admin@wellingtonafc.co.uk](mailto:admin@wellingtonafc.co.uk)) or contact ...

Wellington began their gruelling run-in to the end of the season with defeat by title-chasing Mousehole at the Playing Field on Tuesday, (April 4th).

It was the first of four games in just over a week for the Tangerines who were returning to action after a string of postponements which have played havoc with their fixture list.

They could not have faced a tougher re-start as Mousehole – currently second but with games in hand on leaders Saltash – were by far the best side they have played this season. Despite their long journey from the tip of Cornwall, the visitors launched into Wellington from the kick-off and it looked like being a torrid night.

But they were stunned as the hosts then took a shock lead after 11 minutes. A long throw by Jack Bown-Porter was headed goalwards by Tom Stone and ball was bundled over the line by a combination of Glen Wright and an opposing defender.

That failed to knock Mousehole out of their stride and, after a good save by keeper Shay Allen, the resulting corner was turned home by Max Hill for a 21st minute equaliser.

It was high-tempo action with Jamie Nicholson going close and the Quick twins, Miles and Jason, both being denied by clearances as Wellington attempted to regain their lead.

But the well drilled and lightning quick Mousehole side were always on top and took control of the contest with two goals either side of half-time. They went ahead on 31 minutes as Hayden Turner was denied by Allen but, again, they scored from the resulting corner – this time Turner made no mistake with a clinical finish.

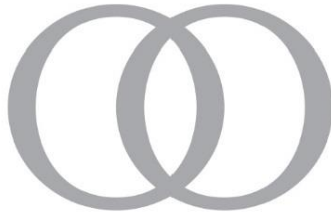

The opening stages of the second half were always going to be critical and it was Mousehole who seized the initiative seven minutes in. Turner scored from the penalty spot after a team-mate had been sent tumbling just inside the box. That virtually sealed the points with only Tom Burt going close to reducing the arrears as both sides rang the changes with Wellington using all five subs.

At the final whistle, the Tangerines found themselves beaten but far from disgraced by a team who look destined – and well equipped – for Southern League football next season.

### **MAN OF THE MATCH**

Our man-of-the-match against Mousehole was Alfie Clark and he received the award from Joe Conway of Conway Cladding who kindly sponsored game.

## TODAY'S VISITORS BUCKLAND ATHLETIC

We extend a warm welcome to the players, officials and supporters of Buckland Athletic for today's Toolstation League Premier Division game.

The club was formed in 1977, and it was purely a junior club. It started life in the Torbay Pioneer League and Sandringham Road was our home pitch. During this time it was one of the biggest junior clubs in the area, and it won many titles and cups over its early years, including the Devon Youth Cup.

The first big decision the club made was to take a team into senior football, which happened for the start of the 1987-88 season, and saw us take a place in the Devon & Exeter League Senior Division Three. Roy Holmes took his Under 18 side up into that division, and they were rewarded when they won the league title that season. We moved grounds once more in the 1990-91 season to Decoy Park, which was the season we also won the Wheaton Trophy. Promotions saw us climb into the Premier Division for the 1992-93 season, having again moved, this time to Homers Lane, Kingsteignton.

We spent eight seasons in the Premier Division, winning our first league title in the 1994-95 season, under manager's Nigel Holmes and Roger Madge, who had taken over the reins from Roy Holmes at the start of that season. The second league title was won in the 1999-00 season allowing us to take promotion to the Devon League. We won a number of cup competitions during this time in the Premier Division, including the D & E Premier Division Cup & East Devon Senior Cup.

2000-01 was our first season in the Devon league and we finished the season as runners-up to title winners Willand Rovers, also we made it through to the semi-finals of the Devon Premier Cup. We spent seven seasons in the Devon League, with our lowest finish being 13th in 2005-06. Also in our time in this league we were runners-up in the Throgmorton Cup in the 2001-02 season. In the final ever season of the Devon league (2006-07), we did just enough to gain promotion to the newly formed South West Peninsula League, finishing that season in 12th place.

We started life in this newly formed league in the 2007-08 season. We finished that season in 14th place, but Phil was building a squad that he felt was good enough to contest for the league title. In the next season we finished in 3rd place, and then our dreams were realised when we won two consecutive titles, as well as winning the Throgmorton Cup (2009-10). Then in the 2011-12 season, we applied to the Western league, knowing that a top two finish was needed to take promotion, well it was

achieved, but we did relinquish our title, with Bodmin Town coming out on top, but promotion was won.

In our first season in the Western League we finished in tenth place in the table, but we did win the hospitality Award and the Programme Award. The 2013-14 season, the team finished the season in 11th place. It was another great season in the history of this great club when the 1st team finished in runners-up spot in the Western League Premier Division, the highest finish in the clubs history in the non-league pyramid. We also won the Premier Division best programme award for the third consecutive season, making it eight consecutive league wins in the last eight seasons. The 1st Team managed by Adam Castle finished in 4th Place in the Western League Premier Division, but not good enough to reach our goal of promotion. The team made it through to the 6th Round of the FA Vase, whilst finishing in 4th place in the league table, but once again just missed out on promotion, in the 2016-17, we also won the hospitality award and best programme awards. It was a fifth place finish in the 2017-18, but we did win the Les Phillips Cup for the first time, but it will be the fixture congestion at the end of the campaign which will be remembered with the number of games our lads had to play including four games in four days and three games in three days, and having played fifteen games in twenty-four days. We also won the best programme award for a fifth time in six seasons. The following season the club finished in ninth place in the Premier table, and again won the best programme award.

As said previously we have had a number of grounds over our lifetime, starting with council owned pitches at Sandringham Park, Coach Road and then Decoy Park. In 1992-93 we secured the use of Homers Lane in Kingsteignton, and we built that ground up to Devon league standard, which included a small stand, enclosed playing surface and hard standing on three sides. But our big break came in 2003 when we were given the option by WBB to take on South Quarry, on the Torquay side of Newton Abbot, and after a lot of hard work and sweat by a huge number of volunteers, we started life at the newly named Homers Heath for the start of the 2005-06 season, with work on the ground and fabulous clubhouse on-going every season since then. A lot of work has been carried out at Homers Heath, including a new covered standing area, which incorporates two new turn-stiles. The ground was fenced in, and an impressive outside toilet block was built. This work allowed the club to achieve a 'D' Ground Grade which is good enough for Southern League football. Our new ground at Homers Heath won the SWPL Premier Division best ground award in both 2007-08 and 2008-09, and then finished runners-up in both 2009-10 and 2010-11. The clubs match-day programme 'The Bucks Review' has also enjoyed success, winning the best programme award in the Devon League on four occasions, and in the SWPL Premier Division, they won that accolade in each of the five seasons we were in that league, and it also finished in sixth place in the final season (2004-05) of the renowned Wirral Programme Club awards, which had over 1100 entries that season.

## EXTRACT FROM TOOLSTATION BULLETIN – 2<sup>ND</sup> APRIL 2023

**Midweek Action:** On a wet and windy Tuesday evening, only one game in the Premier Division managed to avoid postponement, **Ashton & Backwell United** salvaged a point at the death to deny **Cadbury Heath** a much-needed victory. The Heath did move off the bottom with this point, but it looked like the night would be much more fruitful for them when Callum Whooley struck at the beginning of the second half to add to Ali Boyer's early opener. That two-goal advantage soon became just one when Zak Ford struck for Ashton on the hour mark, and the home side then grabbed a share of the spoils in stoppage time when Joe Bishop found the back of the net.

The elements weren't great on Wednesday evening either, but the fixture at Raleigh Grove was given the go-ahead, with visitors **Clevedon** coming away with a tight 1-0 victory over **Sherborne**. In a game of relatively few opportunities, it was Archie Ferris who scored the visitors winning goal ten minutes into the second half, giving the Zebras plenty of motivation going into the sides' reverse fixture at the Hand Stadium in three days' time.

**Weekend Action:** With more weather-enforced postponements on Saturday afternoon, **Mousehole** moved within two points of top spot in the Premier Division thanks to a 2-0 win over **Shepton Mallet**. An opportunistic finish from Mark Goldsworthy towards the end of the opening half put the Seagulls ahead at the break, capitalising on a rare error from Shepton keeper Tom Easterbrook. The score remained 1-0 for much of the majority of the second half, before Mousehole wrapped things up in the 89<sup>th</sup> minute, with Josh Bissett adding a second for the hosts in a half heavily delayed due to an unfortunate injury picked up by Goldsworthy soon after the break.

**Buckland** picked up their 20<sup>th</sup> league win of the campaign, beating bottom-side **Keynsham** 5-2 at Homers Heath. The Newton-Abbott based outfit dominated the early stages of the contest, and led by two inside 15 minutes thanks to the forward duo of Ryan Bush and Jared Lewington who each found the back of the net. Sammy Stayt then increased the lead after half an hour, with Lewington's second at the beginning of the second half completely putting the game beyond Keynsham. To their credit, the visitors battled back, scoring

twice in the final 20 minutes, but it was Buckland who had the final word, with Ben Carter's late effort completing the scoring.

In a repeat of their contest from three days previously, **Clevedon** completed a quick-fire double over **Sherborne**, winning by three goals to nil at the Hand Stadium. Only one goal separated the sides at the interval, with a sublime curling finish from Callum Eastwood after 40 minutes putting the hosts ahead. Sam Iles then shot across the keeper from the edge of the box to double Clevedon's tally at the beginning of the second half, with Archie Ferris prodding home late on to complete the victory.

Elsewhere, the mid-table battle between **Street** and **Millbrook** ended goalless.
