WELLINGTON AFC Club History

Formed in 1892, we are proud to be a three-star FA Accredited Club and run more than 30 teams, providing football for hundreds and men, women, boys and girls throughout the season.

Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously serving members.

Since entering entered the Western League in the First Division, we have played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division champions at the end of the 2016-17 season and have since remained in the Premier Division.

In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-finals of the Somerset Premier Cup. The side, who ended up 15th in 2022-23, are now managed by Richard Cherry, assisted by long-serving defender Jack Bown-Porter.

We have four other senior sides - the Reserves in the Devon and Exeter League's Division One, the A team in the Taunton Saturday League's Division One and the Ladies, who have two teams in the Somerset County Women's League.

We run 23 teams in our youth and minis with both boys and girls playing from the age of eight right through to 18 - along with coaching for even younger children.

We also have a thriving Disability section with two adult sides and a youth team.

Off the pitch, Wellington AFC play a major role in the local community – we are home to a large number of skittles and darts teams and our social facilities are in use throughout the year for a wide range of events staged by local organisations, registered charities and individuals.

MATCH ABANDONED AFTER RYAN IS INJURED

Wellington's Toolstation League game at Street on Wednesday, March 20th, was abandoned because of a serious injury to striker Ryan Brereton.

The match was 30 minutes old when the Tangerines' striker was badly hurt in a 50-50 challenge.

As an ambulance was required, the referee brought proceedings to a premature halt.

It has since been confirmed that Ryan suffered a double lower leg fracture to his tibia and fibula and everyone at the club wishes him a speedy recovery.

The fixture v Street – already postponed twice because of a waterlogged pitch – will now have to be replayed and has been rearranged for Wednesday April 17. This adds to an already busy run-in to the end of the season for Wellington.

MATCH REPORT
WELLINGTON 3 1 MILLBROOK

Wellington completed their first double of the season and collected three valuable points with an important victory over Millbrook at the Playing Field last Saturday, (March 16th).

It was the clash of the bottom two in the table – only one team is being relegated – and defeats for Oldland Abbotonians and Welton Rovers meant the Tangerines' win lifted them to up into 15th place.

Having been without a string of key players for the midweek Somerset Premier Cup defeat by Larkhall Athletic, manager Richard Cherry was able to field virtually a full-strength side against Millbrook.

Wellington got off to a nervy start but improved as the first half progressed and nearly went ahead ten minutes before the break. Sam Towler's curling free kick came back off the bar and Glen Wright slid in at the far post with his connection coming back off the outside of the upright.

But they were not to be denied and, almost immediately, took the lead. A slick move ended with Towler playing in Ryan Brereton to slot the ball past onrushing keeper Jamie Dudley.

That settled the Wellington nerves, and they doubled their advantage with another quality goal after 40 minutes. Alex Cherry played the ball forward to Sully McKenna who bought it under control at pace before wrongfooting Dudley for a clinical finish.

The homes tails were up and McKenna – cup-tied in midweek – made it 3-0 eight minutes into the second half. Brereton took a quick throw to Josh Lukins who squared for the winger to drill home his second of the game.

To their credit, Millbrook refused to lie down and pulled a goal back from a corner with 13 minutes remaining. Jay Boyle's powerful far post header was

cleared from under the bar, but the referee's assistant ruled the ball had crossed the line.

With a number of players still feeling the effects of their tough game at Larkhall, Cherry used all five subs in the second half. Wellington still looked dangerous and McKenna was denied his hat-trick by a sharp save from Dudley in injury time.

TODAY'S VISITORS OLDLAND ABBOTONIANS

We extend a warm welcome to the players, officials and supporters of Oldland Abbotonians for today's Toolstation League Premier Division game.

Bristol and District League handbooks of the 1920's revealed that the **Oldland** football club was founded as St. Anne's (Oldland) in 1910. Little is known about the club's fortunes between the wars but they became founder members of the Bristol Premier Combination in 1962 and were promoted to the Gloucester County League in 1973, remaining there for twelve seasons until being re-elected as Oldland Decora in 1986.

Pupils at Hanham Abbots school launched **Abbotonians** football club as juniors in 1947 and they enjoyed many league and cup successes in the early years, including Cup wins in 1961, 1966 and 1972. The two clubs merged in 1998, playing as **Oldland Abbotonians** in the Somerset Senior League. Oldland Abbotonians won the Somerset Senior League Division One in 2004/05, were Premier Division runners up in 2005/06 and eventually promoted to the Toolstation League in 2006/07.

Oldland has often been described as a nursery for Bristol Rovers with Vic Lambden, Peter Sampson, Brian Bush and Mike Tippets all playing for the club before turning professional at Eastville. Former Rovers favourite Bobby Jones was one of many successful Oldland managers, a list which also includes David Hillier. Abbots rose to heady heights under the leadership of Alan Bush in the 1980's with the help of former Rovers players Jeff Meacham, the late Steve Talboys (Wimbledon) plus Rovers favourites Graham Day, Peter Aitken and Phil Bater. Among other youngsters who left Abbots to play for Rovers were Stuart Taylor, Phil Kite and Kevin Westaway.

Former Bristol Rovers player David Hillier helped manage The Ost to become the first ever Division 1 side to win the Les Phillips Cup. Having finished 4th and been assured that promotion was imminent at the end of 2015/16 Oldland were disappointingly not promoted and had to start again

with the squad moving away. 2016/17 was a pivotal year as although the football side disappointed, through fundraising and grants the club spent in excess of £70,000 on ground improvements including safety fencing, stand covers, pitch maintenance equipment, a new stand and CCTV system and in the past few years the ground has been fully enclosed with new dressing rooms added and the bar extended as chairman Clayton Woodman has grown the club massively off the pitch. .

In 2017/18 Clayton Woodman and Steve Cains returned to the club they had played for before stepping aside to bring in Paul Weeks as Director of Football, the first team manager is Craig Laird with years of experience at the likes of Weston, Dorchester and Yate assisted by Darren Sealey and Nic Mann. Being promoted through the play offs into the Toolstation Western League Premier Division and a welcome return to the FA Cup for the club from 2023/24 onwards saw Oldland very much looking to the future.

The Reserves are in the Bristol Premier Combination and are managed by Steve Cains, Craig Durnell and from 2018/19 a 3rd team play in the Bristol & District League, managed by Mitchell Jones and Dave Griffin. In addition to this, there is an Under 18s side managed by Griffin who play in the Western Counties Floodlit League.

LAUREN JOINS ENGLAND SET UP

Congratulations to Lauren Watts who has been appointed as sports therapist with the England Schools U15 Girls.

Lauren – sports therapist with our first team for nearly two seasons – has so far attended an England training camp at St George’s Park and the team’s 6-0 win over Wales in an international friendly. On Sunday, she is off to Dublin for their next training camp.

During the week, Lauren is based at the Hurley Clinic in Taunton where she provides full sports therapy services including shorts massage, shockwave, dry needling, myofascial cupping and injury management.

“I love seeing people progress from injuries, be that in daily life or sport. During my time with Wellington, I’ve seen a fair share on injuries – some have been quicker fixes than others. It’s very pleasing to report that goalkeeper Rob Hall is nearing his full training comeback after having his ACL reconstructed in May last year. Through lots of hard work, many hours in the gym doing rehab, and dedication to the long road to recovery, he is back running and changing direction fully. Getting back training with the lads is next on the cards for him at the club.”

If you would like to contact Lauren for a chat regarding assessments, injury rehab and the treatments she provides, email her on Laurenlwst@outlook.com or call either 07981 825062 or 01823 618233.

LADIES SECTION

The **Wildcats** were in cup action last Sunday, March 17th, but with the score 0-0 at full-time, unfortunately lost to Sydenham Rangers Ladies Blue on penalties. Having not played for six weeks and with several players out due to injury or holiday the team made a good account of themselves. The Wildcats had a number of chances but were unable to make the important breakthrough and felt they were unlucky not to be awarded a penalty early in the second half. With the scores being level at full-time the game went straight to penalties with Sydenham winning 4-3.

Tomorrow they are away to Wells in the league and have a further four league games left.

The **Ladies** have finished their season and are looking for new players for next season. If you are interested, please contact – Jake Short on 07399 220883 or Nyima Touray on 07745 847693. Alternatively contact the team on wellingtonladiesfc@yahoo.com . All abilities from 16+ welcome.

They are next due to play on April 2nd when they visit Winscombe . They are then away to current league leaders, Yeovil Town on Tuesday, April 9th.

UNDER 16s

Our Under 16 (Town) are in the semi-final of the County Youth Shield. They have been drawn away to Backwell Athletic Juniors tomorrow, Sunday, March 24th. Kick-off 2.00pm. They are currently top of their Division in the Taunton Youth League with two league games left to play.

EXTRACT FROM TOOLSTATION BULLETIN 16TH MARCH 2024

With a little bit of respite on the weather front, a strong set of fixtures saw plenty of goalscoring action with the top sides flexing their muscles on Saturday afternoon. League leaders **Helston** maintained their one-point advantage thanks to a 2-0 win at home to **Brixham**. It took the hosts 31 minutes to break the deadlock, with Rikki Sheppard heading home Jordan Copp's corner, and then in the early stages of the second half, they added to their lead with Jacob Smith stroking the ball home.

Clevedon remain hot on Helston's tails, beating **Welton** 5-0 to add some impetus to their title charge. After opening the scoring in the seventh minute, Syd Camper was on hand again on the half-hour, heading home to make it 2-0 to the hosts. A goal early in the second half from Sam Beresford extended the lead further, before late efforts from Harlee Voza and Alex Camm completed the scoring.

There was incredible drama at The Mill, where Ryan Richards scored all four of **Torpoint's** goals in their 4-2 victory over **Street**. With the game level at one apiece heading into the final ten minutes, Eli Collins fired the Cobblers in front as they looked to pinch all three points. That goal seemed to fire up the home side, and Richards in particular, with his second goal of the afternoon making it two apiece with three minutes left on the clock. Richards wasn't finished there however, and after completing his hat-trick in the 90th minute, he then added a fourth in stoppage time to put the finishing touches on an outstanding individual performance.

4-2 was also the full-time score at **Barnstaple**, where the hosts held off an attempted comeback from **Oldland Abbotonians** to move up into sixth spot. Town were untouchable during the opening half hour of the contest, storming into a four-goal lead thanks to four different goalscorers, with Harvey Dorothy, Matty Andrew, Brodie Montague and Charlie Prentice all finding the back of the net. Tom Blake then scored what looked to be a consolation at the end of the first half, but to give Oldland credit, they continued to put a scare in their hosts, with Harrison Kyte trimming the deficit in what ended up being a losing battle.

Falmouth's winning run shows no signs of slowing, with Cornish outfit easing to a 4-1 win away at **Bridgwater**. Town made a dream start to the contest, and led within a minute of the game kicking off thanks to their in-form frontman Oscar Massey. Another goal inside the opening ten minutes from Luke Barner extended Falmouth's lead further, with the game then coming to life again in the early stages of the second half. Bridgwater looked to have earned a way back into the game, only to see Adam Wright's spot kick saved, and then moments later, Wright's strike partner Jack Taylor had a goal ruled out thanks to the linesman's flag. Things went from bad to worse for the hosts when Jared Sims made it 3-0, with another goal shortly after from Rubin Wilson ending any hopes of a late fightback.

Ilfracombe twice came from behind to draw 2-2 in their home clash against **Buckland**, with Jack Magarotto netting 13 minutes from time to grab a share of the spoils.

Wellington were the day's biggest risers, moving up 15th after Sully McKenna goals in either half saw the Tangerines beat **Millbrook** 3-1.
