WELLINGTON AFC Club History

Formed in 1892, we are proud to be a three-star FA Accredited Club and run more than 30 teams, providing football for hundreds and men, women, boys and girls throughout the season.

Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously serving members.

Since entering entered the Western League in the First Division, we have played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division champions at the end of the 2016-17 season and have since remained in the Premier Division.

In their first season back in the Premier Division, the team finished a creditable 15th and also reached the semi-finals of the Somerset Premier Cup. The side, who ended up 15th in 2022-23, are now managed by Richard Cherry, assisted by long-serving defender Jack Bown-Porter.

We have four other senior sides - the Reserves in the Devon and Exeter League's Division One, the A team in the Taunton Saturday League's Division One and the Ladies, who have two teams in the Somerset County Women's League.

We run 23 teams in our youth and minis with both boys and girls playing from the age of seven right through to 18 - along with coaching for even younger children.

We also have a thriving Disability section with two adult sides and a youth teams.

Off the pitch, Wellington AFC play a major role in the local community – we are home to a large number of skittles and darts teams and our social facilities are in use throughout the year for a wide range of events staged by local organisations, registered charities and individuals.

MATCH REPORT

WELLINGTON 0 1 FALMOUTH TOWN

Wellington came agonisingly close to pulling off a shock result against title-chasing Falmouth Town before a decent crowd at the Playing Field on Tuesday evening (April 9th).

The Tangerines defended superbly against their high-flying visitors before their resistance was broken by a goal four minutes from time.

Their performance was a demonstration of their improvement under manager Richard Cherry, having been thrashed 8-0 at Falmouth in September during the early days of his first season in charge.

The visitors from Cornwall went into the game in second place after beating promotion rivals Clevedon Town 4-0 at the weekend.

But Wellington matched them blow-for-blow in a first half which produced plenty of decent football but no clearcut chances.

Falmouth stepped up a gear after the break, pegging the hosts back in their own half for long periods without being able to break the deadlock, even making a triple substitution.

Cherry also introduced fresh legs from the bench and, when Falmouth had a goalbound header hooked away before keeper Jake Viney produced a brilliant reaction save, it looked like the game might end goalless.

But, after 86 minutes, defender Tom Annear collected the ball and took aim from fully 30 yards before firing in a powerful low drive which took a deflection on its way into the net.

That signalled a frantic end to the game before the final whistle went to the delight – and relief – of the Falmouth players and their enthusiastic supporters.

The result lifted them to joint top of the table with Helston Athletic, who ironically are the visitors to the Playing Field this afternoon Wellington's final home game of the season.

MAN OF THE MATCH

Our man-of-the-match was defender Mark Cornish and he received the award from keeper Rob Hall who is back in training after knee surgery. It was sponsored by C&C Carpets, Curtains, Beds & Blinds.

TOOLSTATION LEAGUE ANNOUNCEMENT

Due to Toolstation taking their community support in a different direction they have advised that their sponsorship of the Western League will come to an end following the end of this season.

We have for many years enjoyed a wonderful working relationship that has enabled us to support and reward our clubs on many levels as well as benefiting work behind the scenes at the League.

The Board of Directors on behalf of everyone associated with the Western League wish to record their utmost appreciation to Toolstation for the benefits afforded to them and wish them all the best for the future success.

A spokesperson from Toolstation says: “We are incredibly proud to have supported non-league football over the past 20 years, thanks to our relationships with the Western League. It has been one of the longest-running continuous sponsorships in football, and has meant we have been able to really make a difference in the sport. Although we are now taking our community support in a different direction, it has been fantastic to see our sponsorship help with the development of all the teams, players and supporters involved in the league and we wish everyone well for the future.”

Western League Chairman John Pool said: “As a chapter in our league history closes, another now opens. The Western League will actively be looking to forge new commercial partnerships that will support our clubs on and off the pitch. We will never forget our friends at Toolstation and I would like to take this opportunity to place on record our sincere thanks for their support and wish them the very best for the future.”

In the meantime, the Board of the Western League actively seek new sponsorship opportunities.
