WELLINGTON AFC Club History

Formed in 1892, we are proud to be a three-star FA Accredited Club and run more than 30 teams, providing football for hundreds of men, women, boys and girls throughout the season.

Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously serving members.

Since entering the Western League in the First Division, we have played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division champions at the end of the 2016-17 season and have since remained in the Premier Division.

In their first season back, the team finished a creditable 15th and also reached the semi-finals of the Somerset Premier Cup.

The side, who finished 15th in 2023-24, are now managed by Richard Cherry.

We have four other senior sides - the Reserves in the Devon and Exeter League's premier division, the A team in the Taunton Saturday League's premier division and the Ladies, who have two teams in the Somerset County Women's League.

We run 23 teams in our youth and minis with both boys and girls playing from the age of seven right through to 18 - along with coaching for even younger children.

We also have a thriving Disability section with two adult sides and two youth teams.

Off the pitch, Wellington AFC play a major role in the local community – we are home to a large number of skittles and darts teams and our social facilities are in use throughout the year for a wide range of events staged by local organisations, registered charities and individuals.

**WELCOME TO TONIGHT'S GAME

MATCH REPORT

PORTISHEAD TOWN

Wellington's game against Jewson Western League leaders Portishead Town on Wednesday evening (January 15th) was abandoned because of thick fog.

The referee blew for half-time at the Playing Field five minutes early in the hope that a break in play might see conditions improve. But that improvement failed to materialise and so he brought proceedings to a premature end with the visitors leading 1-0.

The match was preceded by a minute's applause for Norman Rogers, a popular Wellington AFC figure, who sadly passed away before New Year.

Manager Richard Cherry made one change to the side which drew at Street with Mark Cornish returning from suspension in place of Sam Gleeson.

There was added spice to the game with the visitors' lineup including former Tangerines defender Jason Quick who lined up against his brothers Miles and Jake.

Portishead held the upper hand early on with home keeper Jake Viney getting down well to save from Mitch Osmond after 13 minutes.

But both sides were forced into substitutions with Osmond and then Wellington's Sam Towler going off injured.

Portishead went ahead after 25 minutes as the Tangerines appealed in vain for a foul on Jack Winsor and the resulting cross was forced home.

The hosts almost drew level when Tom Stone's header brought a fine save out of keeper Ryan Thacker.

But the lack of visibility was causing problems for both sides – and the officials – with an early conclusion becoming inevitable.

A minute's applause for Norman Rogers whose funeral takes place at Taunton Crematorium on Friday, January 31st at 2.00pm.

TONIGHT'S VISITORS BARNSTAPLE TOWN

Founded in 1904 as Pilton Yeo Vale, the club entered the North Devon league. They were founder members along with Ilfracombe, South Molton, Pilton Social Barnstaple Y.M.C.A, Braunton and Bideford. Their first ever league match was on 1st October 1904 when they played Ilfracombe at Pilton Park and were defeated 4-2.

The club changed its name to Barnstaple Town at the end of the season and continued in the North Devon League, Devon & Exeter League and then the South Western League.

When the Western League was reformed after the Second World War, Barnstaple Town entered two teams, one in division 2 and a reserve side in division 3.

The early 1950's were one of the club's most successful times under the management of Arthur Coles. In 1953, Barnstaple won the Western league First Division Championship but only after a nail biting climax to the season with everything depending on the results of matches being played on the final day of the League Season. On that day, Barnstaple Town beat Dorchester Town 6-1 and their challengers for the title, Street won 2-1 at Wells City. That left the side's level on points and when the goal average was calculated Street had 2.07 and incredibly Barnstaple had 2.08. The club also beat Plymouth Argyle in the final of the Devon Pro' Cup at Home Park that season, but sadly Coles moved on to Weymouth and the club never had quite the same success again.

Cameron Buchanan, the former Wolves and Bournemouth player, local lads Fred Smale and Ray Smith, Bill Johnson formerly of Grimsby Town, Noel Peyton, the ex-Leeds United and Eire International, John Hancock formerly with Exeter City and ex Barnsley and Doncaster Rovers player Lol Chappell all tried to revive Barnstaple's fortunes from the manager's seat but with no great success.

Player Manager Charlie Sells, who had been with Exeter City, built up the club in the 1970's followed by the former Andover keeper Trevor Morris and then Brian Perks. Perks left Mill Road for Bideford during the season of 1979/80 and under the guidance of joint managers Brian Hill and Dave Baglow, Barnstaple went on to win the Western League Championship for the second time, winning by one point from AFC Bournemouth Reserves. That title went virtually unnoticed as there was a printer's strike at the time and no newspapers were printed.

Richard Gray took over the following season and brought some success to the club although they never won the title. A couple of seasons later he left after a disagreement

with the club, and after a succession of managers Town lost their Premier status in 1989/90. Brian Hill was again appointed manager to put Town back in the Premier Division and after 3 seasons in the wilderness won the First Division Championship in 1993/94 in fine style scoring more goals and recording more points than ever before.

Jeff Evans was appointed manager in 2002 and along with his assistant Peter Buckingham guided the club to the final of The Devon Bowl where they were narrowly beaten by Tiverton Town. The following season Peter Buckingham took over as sole manager and Barum finished in seventh place in the league, their highest finish for many a season. During the 2008/09 season Owen Pickard took over the manager's seat for his first taste of management and was able to save the club from what looked like certain relegation at the Christmas period of the season. Barnstaple remained in the Premier League until the end of the 2012/13 season when they were relegated to Western League Division One – the first time in their history that they had finished at the bottom of their division.

The gloom surrounding Mill Road was to be short lived as in the December of 2013 the club appointed the joint management team of Barry Yeo and Karl Baggaley. Building a squad where, on occasions, all eleven players on the field were born in Barnstaple – surely a record that not many teams at any level of football would be able to equal - the managers turned the 2013/14 season around and finished a creditable 3rd. In their first full season in charge, 2014/15, the club returned to the Western League Premier Division by winning the First Division title for the 3rd time in its history. Their total of 100 points, 128 goals scored and a goal difference of 101 were among 15 club records set during the year, in addition to reaching the final of the Les Phillips Cup for the second time

2015/16 was to be equally successful. After an average start the team went on two long unbeaten runs which saw them finish as runners up in the Premier Division, missing out on back to back titles by just 3 points, but securing the coveted prize of promotion to the Southern League Division One South & West. This would see them playing at the highest level in the club's history – the biggest step the club had taken since joining the Western League in 1948. At the end of 2016/17, having secured Southern League football for a second season with a 17th place finish, the management duo stood down and as is often the case in these situations, most of the players also left for challenges elsewhere.

In more recent times the club found life in the Southern League challenging, a combination of other club's misfortunes and a global pandemic saved the club from relegation on three occasions. Bill Wilson was appointed as new Chairman of the club in November 2021 with Mick Wadsworth as director of football and the appointment of Craig Laird as first team manager. Despite a gallant attempt relegation from the Southern League could not be avoided in the 2021/22 season. We now embrace a new challenge in the Toolstation Western League Premier Division.
