## WELLINGTON AFC Club History

Formed in 1892, we are proud to be a three-star FA Accredited Club and run more than 30 teams, providing football for hundreds of men, women, boys and girls throughout the season.

Initially, the club played in leagues based around Taunton and Tiverton. In the early 1960s, we gained promotion to the Somerset Senior League and succeeded in achieving Western League status in 1978 which has been retained ever since, making us one of the league's longest continuously serving members.

Since entering the Western League in the First Division, we have played at Premier Division level from 1981-82 to 1984-85 and 2008-09 to 2010-11. The team were then promoted as First Division champions at the end of the 2016-17 season and have since remained in the Premier Division.

In their first season back, the team finished a creditable 15th and also reached the semi-finals of the Somerset Premier Cup.

The side, who finished 15th in 2023-24, are now managed by Richard Cherry.

We have four other senior sides - the Reserves in the Devon and Exeter League's premier division, the A team in the Taunton Saturday League's premier division and the Ladies, who have two teams in the Somerset County Women's League.

We run 23 teams in our youth and minis with both boys and girls playing from the age of seven right through to 18 - along with coaching for even younger children.

We also have a thriving Disability section with two adult sides and two youth teams.

Off the pitch, Wellington AFC play a major role in the local community – we are home to a large number of skittles and darts teams and our social facilities are in use throughout the year for a wide range of events staged by local organisations, registered charities and individuals.

## WELCOME TO TODAY'S GAME WELLINGTON v PORTISHEAD TOWN

We extend a warm welcome to the players, officials and supporters of Portishead Town for our first home game of 2025, as last Wednesday's scheduled game against Welton Rovers was cancelled due to the freezing weather.

Before the game this evening there will be a minute's applause in memory of Norman Rogers, a long serving helper and supporter and very popular member of our Club who sadly passed away recently.

## MATCH REPORT

**STREET                      2                      2                      WELLINGTON**

A 97th-minute equaliser by striker Jake Quick ended Wellington's barren run as they earned up a deserved draw away to fifth-placed Street on Saturday, January 4th.

The Tangerines had lost their previous six matches – all at home – and it looked like more of the same as they went 2-0 down inside 15 minutes.

But they rallied after the break before a dramatic stoppage time saw Jake Viney save a penalty before they went up the other end to level things up.

Manager Richard Cherry was without three players through suspension and so there was a debut for new midfielder Jack Winsor, signed on a dual registration with Bideford of the Southern League.

Skipper Kieran Bailey was also back in defence while the subs included midfielder Glen Wright, returning after a long-term ankle injury.

But they got off to the worst possible start by going behind after seven minutes as a Street header came back off the post and Callum Laird drove home the rebound.

Things went from bad to worse shortly afterwards when Toby Stephens picked up a clearance and sent an unstoppable shot flying past Viney.

To their credit, Wellington refused to roll over and they had a couple of half-chances before the half-time whistle gave them a chance to regroup.

Whatever Cherry said to them after the break, it certainly paid dividends as they took the game to Street, pulling a goal back in spectacular fashion ten minutes after the restart.

The ball was laid off by Sam Towler, fully 25 yards out, and he blasted a wonderful drive past keeper Lewis Williams and into the top corner.

Wellington kept going forward in search of an equaliser without success and, when they were caught on the break in added time, the referee pointed to the spot for a foul by Towler.

Laird stepped up to settle matters only for Viney to perform heroics by saving both his well-struck penalty and his follow-up effort.

That signalled a frenzied last few minutes and Wellington's efforts were rewarded right at the death.

A long throw ended with Jordan Hayman playing the ball across the face of goal where Quick joyfully snapped up the equaliser to spark wild celebrations.

With the home game against Welton Rovers scheduled for last Wednesday postponed due to the freezing weather and no game on Saturday, the result against Street will have been a confidence booster ahead of Portishead's visit this evening.

## TONIGHT'S VISITORS PORTISHEAD TOWN

Portishead were inaugurated early in the 1900's by Molly Jukes, the daughter of a local rector, who had moved to Portishead in 1903. Always keen on sport, Molly formed a cricket side in 1910 and two years later a football team she called St. Peter's Portishead.

Initially there were two teams, a first XI and a Reserves and a year later a junior side was formed. In 1915 Molly married the Rev. H.S. Briggs but her interest and devotion to 'the lads' didn't waver and despite the intervention of two World Wars she battled on as Chairman, Treasurer and Manager, as well as playing in goal as often as she could.

In the early 1950's Molly stepped down and Portishead AFC, as the club were now known - following a name change in 1948 - was left in the hands of Len Pickering and Eddie Clapson.

Following successive Divisional Championships in 1973 and 1974 the club were accepted into the Somerset Senior League in 1975 and a year later moved from their original pitch, where the present Health Centre now stands, to Bristol Road. As the result of the extra pitches available on the new ground two new teams were formed incorporating the former Redcliffe Bay team. In 1995 a Colts side was formed and entered the Weston & District League along with the third and fourth teams.

In 1991/92 Portishead reached the Somerset & Avon (South) FA Senior Cup Final where they lost 4-2 against Odd Down. In 1997 the first team again reached the final. this time beating Bridgwater Reserves 2-0 at Paulton. In 1993/94, under the leadership of Terry Hale, the team won the Somerset Senior League Premier Division Championship, they retained this title in 1994/95, made it a treble in 1995/96 and notched up their

fourth Championship win at the end of the 1997-98 season. In May 2000 Shaun Hill's side beat Radstock Town to win the Somerset Senior Cup for the second time.

Following major ground improvements and finishing the 2004/05 season as runners up in the Somerset County League the club applied for election to the Western League and were duly promoted for the start of the 2005/06 campaign. Promotion to the Western League Premier Division would have been achieved following a runner's up position in the 2006/07 season had it not been for the ground failing to meet the required standards.

Under Chairman Adrian Green 2019 saw the arrival of former player James W. Hughes as Director of Football. Eamonn Daly was appointed manager and he provided stability and a platform for future successes before taking on the role of Head of Men's Football.

Eamonn was replaced by experienced player Kye Mountford, who took on the manager position for Season 2023/24, heralding the club's most successful season yet. Posset won the Western League Division One title, amassing 99 points and scoring 122 goals in the process. Several records were broken including going 21 league games unbeaten between August and December.

With promotion to the Western League Premier Division for the men's first team, the ladies' team in the fourth tier of the women's game, the junior's section going from strength to strength and the redevelopment of Bristol Road, Portishead Town has never been in a stronger position.

**PLEASED TO SUPPORT WELLINGTON AFC**

## CODE OF CONDUCT FOR SPECTATORS

**As an FA Accredited Club, we expect all spectators to play your part and support the FA's Respect Code of Conduct at all times**

- Respect the referee's decisions even when you don't agree with them
- Applaud effort and good play as well as success
- Appreciate good play whatever team it comes from
- Support positively. When players make a mistake offer them encouragement not criticism
- Encourage the players to respect the opposition, referee and match officials
- Never engage in or tolerate offensive, insulting or abusive language
- Never engage in threatening or violent behaviour
- Stay behind the touchline and within the designated spectator's area

**You must fully understand and readily accept that failure to comply with any of the above may result in you being:**

- Issued with a verbal warning from a club or league official
- Obligated to leave the match venue by the club
- Required to meet with the club committee, league or Welfare Officer
- Obligated to undertake an FA education course
- Requested not to attend future games, be suspended or have your membership removed

**In addition:**

- The FA/County FA could impose a fine and/or suspension on the club
- Any physical assault on a Match Official will result in a lengthy or permanent exclusion from football and possibly a criminal prosecution
